Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what

cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

Extrait du Quatrième Supplément de la London Gazette *du 24 octobre 1916.*)

War Office,
26 octobre 1916.

Il a gracieusement plu à Sa Majesté le Roi de conférer la Croix de Victoria aux officiers, sous-officiers et hommes ci-dessous mentionnés :—

No 73132 soldat (caporal suppléant) Leo Clarke, infanterie canadienne.

Pour avoir fait preuve de la plus grande bravoure. Il fut désigné avec une section de lanceurs de bombes pour nettoyer la continuation d'une tranchée nouvellement capturée et couvrir la construction d'un " bloc." Après que la plupart de ses compagnons eurent été tués ou blessés et pendant qu'il construisait un " bloc," environ vingt ennemis avec deux officiers firent une contre-attaque. Il s'avança hardiment dans leur direction, vida son revolver en tirant sur eux ainsi que deux fusils de l'ennemi qu'il avait ramassés dans la tranchée.

L'un des officiers l'attaqua à la baïonnette le blessant à la jambe, mais il le tua raide. L'ennemi se sauva ensuite, poursuivi par le caporal suppléant Clarke, qui tira sur quatre autres et en fit un cinquième prisonnier.

Plus tard il fut envoyé à la station de pansement mais il retourna prendre son service le lendemain.

101465 soldat John Chipman Kerr, infanterie canadienne.

Pour avoir fait preuve de la plus grande bravoure. Durant une attaque avec des bombes, il agissait comme sentinelle, et, sachant que la provision de bombes s'épuisait, il courut le long du parapet, sous un feu violent, jusqu'à ce qu'il fut très près de l'ennemi ; il tira alors à bout portant sur l'ennemi et lui infligea une lourde perte.

L'ennemi croyant être enveloppé se rendit. Soixante-deux prisonniers furent faits et 250 verges de tranchée ennemie furent capturées.

Le soldat Kerr avait eu un doigt enlevé par une bombe avant d'accomplir cet acte audacieux.

Plus tard, avec deux hommes, il conduisit ses prisonniers à l'arrière, sous le feu et retourna à sa compagnie avant de faire panser sa blessure.

Il a gracieusement plu à Sa Majesté le Roi d'approuver la nomination des officiers ci-dessous mentionnés comme Compagnons de l'Ordre du Service Distingué, en récompense de leur bravoure et de leur dévouement en campagne :—

TROUPES CANADIENNES.

Le major William Grasett Hagarty, artillerie canadienne.

Pour bravoure remarquable pendant les opérations. Après une excellente reconnaissance il réussit en mettant, de nuit, sa batterie en position sur un terrain difficile et sous un feu violent d'obus. Le lendemain matin son tir fut des plus effectifs.

—

Une agrafe à leur Ordre du Service Distingué a été accordée aux officiers ci-dessous mentionnés pour des actes subséquents de bravoure remarquable :—

CONTINGENT CANADIEN.

Le lieutenant Gordon Thomson Cassels, artillerie royale canadienne à cheval.

Pour bravoure remarquable et bonnes manœuvres pendant les opérations. Il exécuta des reconnaissances avec beaucoup d'habileté et se distingua comme officier supérieur d'artillerie. Une nuit il mit une section en actions dans des conditions très difficiles.

Le capitaine temporaire Roy Aubrey Spencer, génie canadien.

Pour bravoure remarquable. Pendant cinq nuits consécutives il patrouilla entre les premières tranchées afin de localiser la galerie de mine des ennemis et la détruisit. Plus tard, il consolida la galerie, comme défense à nos propres tranchées.

—

Il a gracieusement plu au Roi d'approuver que la Médaille pour Conduite Distinguée soit conférée aux sous-officiers à brevet, sous-officiers et soldats ci-dessous mentionnés pour des actes de bravoure et de dévouement en campagne :—

TROUPES CANADIENNES.

458089 sous-caporal J. J. Kelly, infanterie canadienne.

Pour bravoure remarquable. Bien que blessé au début d'un fort bombardement, il resta à son poste. Quand l'ennemi attaqua il fit manœuvrer sa section avec un sang-froid et un mépris du danger qui contribuèrent beaucoup à son échec.

457971 sergent C. McDowell, infanterie canadienne.

Pour bravoure remarquable. Quand deux ennemis entrèrent dans sa tranchée il les attaqua immédiatement, et, bien que blessé d'un coup de pistolet par l'un d'eux, il réussit à le baïonnetter et à tuer les deux avec une bombe.

76165 sergent D. McLeod, génie canadien.

Pour bravoure remarquable pendant un bombardement, alors que sous un violent feu de mitrailleuse et d'obusier, il retira d'un cratère un homme blessé. Par son travail consciencieux et son dévouement, le sergent McLeod fut en grande partie responsable de la reprise d'une profonde galerie ennemie, ce qui permit de tenir avec succès une position.

73546 sergent D. O'Brien, génie canadien.

Pour bravoure remarquable pendant un bombardement, alors que sous un violent feu de mitrailleuses et d'obusiers, il retira d'un cratère un homme blessé. Par son travail consciencieux et son dévouement, le sergent O'Brien fut en grande partie responsable de la reprise d'une profonde galerie ennemie, ce qui permit de tenir avec succès une position.

477770 sous-caporal suppléant Reynolds, régiment royal canadien.

Pour bravoure remarquable en conduisant à l'attaque une escouade de bombardiers. Après avoir été blessé, il continua à marcher de l'avant en lançant ses bombes avec grand sang-froid et précision. Il fut le seul homme qui arriva au parapet ennemi où il combattit seul à coups de bombe et de revolver. Il fut de nouveau blessé et ne revint qu'avec beaucoup de difficulté.

44039 sergent J. C. Stackhouse, artillerie canadienne.

Pour bravoure remarquable. Un obus avait été mis dans la pièce, lorsqu'il entendit un bruit lui indiquant que la fusée commençait à prendre feu. Il arrêta immédiatement la cartouche qu'on allait placer, ordonna aux servants de se mettre à couvert, desserra la pièce aussi promptement que possible, ce qui fit que l'explosion eut lieu sans causer de dégats. Sa promptitude et son audace sauvèrent probablement plusieurs vies.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 24 octobre 1916, représentant que la Compagnie de chemin de fer Pacifique Canadien a demandé la concession d'un terrain comprenant les droits de surface au-dessus des tunnels, ainsi que le terrain requis pour un changement du passage de la voie entre Hector et Field, dans le township 28, rangs 17 et 18, à l'ouest du 5e méridien, dans le parc Yoho, ainsi qu'indiqué sur le plan du changement de la rampe et du terrain additionnel requis entre Hector et Field, Colombie-Britannique, mille 125·7 à mille 133·7, approuvé et confirmé par E. Deville, arpenteur général, et déposé au Ministère de l'Intérieur sous la désignation "plan de passage n° 19704."

Le Ministre représente que la compagnie a cédé à la Couronne son titre au premier droit de passage,—

Par conséquent, le Ministre demande l'autorisation, sous l'empire de l'article 16 de la *Loi des rêserves forestières et des parcs fédéraux*, d'accorder la patente du terrain demandé et ci-haut décrit à la Compagnie de chemin de fer Pacifique Canadien, sujet cependant aux conditions suivantes :

Que le terrain en question sera sujet à l'application de tous les règlements des parcs fédéraux actuellement en vigueur, ainsi que de tous autres règlements que le Gouverneur en conseil peut à l'avenir promulguer à ce sujet.

Que le dit terrain, tout en servant aux fins pour lesquelles il a été cédé, continuera à faire partie de la réserve dans les limites de laquelle il est situé, et redeviendra propriété de la Couronne dès qu'il servira à des fins autres que celles qui sont prévues dans les présentes.

Le Département se réserve le droit de pénétrer sur le terrain au-dessus des tunnels ou sur toute autre partie du terrain additionnel susdit, le long du passage de la voie, excédant la concession ordinaire de cent pieds, soit cinquante pieds de chaque côté de la ligne de centre de la voie, pour la construction de chemins, routes, etc., ou pour les fins d'un parc ou autres fins publiques quelconques ; le Département se réserve aussi le droit de permettre au public de se servir de ces chemins ou routes et de fréquenter ces parcs, pourvu, toutefois, que cette permission ne nuise pas à l'exploitation des voies ferrées ou des tunnels de la compagnie.

La compagnie ne sera responsable dans aucune poursuite en dommages-intérêts par quiconque aura souffert d'un accident survenu sur la propriété dont les droits de surface ont été mis en réserve par le Département, pourvu toutefois qu'il soit clairement prouvé que cet accident n'est pas le résultat de négligence de la part de la compagnie ou de ses employés.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

ATTENDU que par un arrêté en conseil du 24 octobre 1912, la compagnie dite " The Ashcroft Water Electric and Improvement Co., Limited," d'Ashcroft, C.-B., fut autorisée d'acheter, aux conditions de vente des terres vendues pour l'irrigation, les terrains mentionnés dans l'annexe au dit arrêté en conseil, et

Attendu qu'entre autres conditions, il fut stipulé que la compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaires à l'irrigation des dits terrains ; et que la compagnie construira dans un délai de trois ans un système d'irrigation adéquat et satisfaisant et cultivera 50% des parties irrigables des dits terrains, et que toutes autres parties irrigables des dits terrains seront irriguées et mises en culture dans un délai de cinq ans, etc., et

Attendu que la compagnie a représenté qu'il a surgi certaines complications dans les négociations pour l'obtention des autorités provinciales des droits à l'eau lesquelles l'ont forcée de retarder le commencement des travaux d'irrigation ; et

Attendu que la dite compagnie représente de plus qu'elle compte qu'une extension de l'autorisation qui lui a été accordée par le dit arrêté en conseil lui permettra d'obtenir les droits à l'eau nécessaires ; et

Attendu que la compagnie a fait le premier versement sur le prix exigé par ledit arrêté en conseil ,—

La période limitée pour l'obtention des droits à l'eau et pour la construction d'un système d'irrigation adéquat et satisfaisant pour les terrains mentionnés dans l'annexe au dit arrêté en conseil du 24 octobre 1912, et la période pour l'irrigation et la mise en culture des parties irrigables des dits terrains est par les présentes prolongée pour trois ans à compter de cette date :

Les dispositifs du dit arrêté en conseil du 24 octobre 1912, resteront en tout autre point en pleine vigueur. L'emploi, la diversion et l'emmagasinage de l'eau, la construction et l'entretien de tous les travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être en conformité aux dispositions de la loi de 1914 de la Colombie-Britannique concernant l'eau, et ses modifications.

ATTENDU que les règlements actuellement en vigueur autorisant le commerce de la glace coupée dans les eaux des parcs fédéraux imposent un droit régalien de deux cents par tonne, payable au Département de l'Intérieur.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9e jour de novembre 1916, représentant que le 3 juillet 1914, Alfred H. Breach a obtenu l'inscription de homestead et de préemptiou du quart sud-est de la section 27 ainsi que du quart nord-est de la section 22 respectivement, dans le township 22, rang 7, à l'ouest du 4e méridien.

Les certaines preuves déposées semblent établir que M. Breach a pu accomplir un terme de résidence.

Le Ministre soumet la copie annexée d'un certificat du docteur Arthur L. Lynch, établissant que M. Breach est désormais incapable de remplir ses obligations de homestead.

Dans ces circonstances, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Breach soit relevé des obligations de résidence prescrites pour permettre que des patentes des deux quarts de section ci-haut décrits soient délivrées sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 novembre 1916, représentant que M. Olivier Ghostkeeper, de Grouard, province de l'Alberta, a demandé la concession gratuite du lot n° 108, de l'établissement de la Grande Prairie, dans la dite province de l'Alberta, contenant par mesurage 68·5 acres, plus ou moins, en vertu du fait qu'il occupait le dit terrain à la date de l'extinction du titre des sauvages.

Comme il a été établi que M. AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 octobre 1916, représentant que le 29 décembre 1902, M. Addison K. Walker a obtenu l'inscription de homestead du quart nord-ouest de la section 36, township 20, à l'ouest du 4e méridien ;

Il a été établi que M. Walker a accompli un terme de six mois de résidence sur ce terrain, et y a clôturé et mis en culture 70 acres ;

Manquant d'abri pour son troupeau, qui était très nombreux, M Walker fut forcé de quitter son homestead pour un autre terrain avoisinant qu'il détenait sous bail à pâturage ;

M. Walker résida sur ce dernier terrain sans interruption de novembre 1903 à avril 1913, et y fit des améliorations importantes,—

Le Ministre recommande, par conséquent, que vu la résidence accomplie par M. Walker, la superficie qu'il y a mis en culture et le fait qu'il est un colon important, le terrain soit, conformément à l'article 76 de la Loi, vendu à cet inscrit au prix de $1 l'acre, que M. Walker soit relevé de toute autre obligation de résidence, ce privilège complétant l'accomplissement des obligations et lui donnant droit à son homestead.

Le comité soumet cette recommandation pour approbation.

MANDAT ROYAL REVISÉ.

GEORGE CINQ par la Grâce de Dieu Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, Défenseur de la Foi, Empereur des Indes : A tous ceux à qui les présentes parviendront, Salut :—

ATTENDU que par Notre Mandat Royal sous Notre Seing Manuel daté le 28 décembre 1914, Nous avons institué et créé une nouvelle décoration intitulée "La Croix Militaire" décernée aux officiers de certains grades dans notre armée en récompense de services distingués et méritoires en temps de guerre :

Et attendu que Nous désirons que certains changements soient faits aux règlements concernant la dite décoration, Nous ordonnons par le présent que les dispositions de Notre dit Mandat Royal soient cancellées et que les règlements suivants leur soient substitués :—

Premièrement.—Il est ordonné que la croix sera désignée " La Croix Militaire."

Deuxièmement.—Il est ordonné que la Croix Militaire consistera en une croix d'argent ayant sur chaque bras notre couronne Impériale et portant au centre les lettres G.R.I.

Troisièmement. — Il est ordonné que personne ne pourra obtenir cette décoration, ni y être nommée à moins d'être un capitaine, un officier subalterne ou un sous-officier à brevet de la 1re classe ou de la 2e classe dans Notre armée ou dans Nos forces militaires de l'Inde ou des Colonies, et que la Croix Militaire ne sera décernée qu'aux officiers des grades ci-dessus mentionnés après qu'une recommandation Nous aura été faite à cet effet par Notre Principal Secrétaire d'Etat pour la Guerre.

Quatrièmement.—Il est ordonné que les officiers étrangers d'un grade équivalent à ceux ci-dessus mentionnés, qui ont pris part à des opérations militaires avec Notre armée ou Nos forces militaires de l'Inde ou des Colonies, pourront obtenir la Croix Militaire.

Cinquièmement.—Il est ordonné que ceux qui, après avoir rendu des services pour lesquels la Croix Militaire est décernée, accomplissent subséquemment un acte de bravoure approuvé qui, s'ils n'avaient pas reçu la Croix leur donnerait le droit de l'obtenir recevront une agrafe qui sera attachée au ruban par lequel la Croix est suspendue, et pour chaque tel acte additionnel une agrafe additionnelle pourra être ajoutée.

Sixièmement.—Il est ordonné que les noms de ceux auxquels il Nous fera plaisir de décerner cette décoration seront publiés dans la *London Gazette*, et qu'un registre de ces noms sera tenu au bureau de Notre Principal Secrétaire d'Etat pour la Guerre.

Septièmement.—Il est ordonné que la Croix Militaire sera portée immédiatement après les ordres et avant toutes les décorations et médailles (sauf la Croix de Victoria seulement) et sur le côté gauche de la poitrine pendue à un ruban d'un pouce et trois huitièmes de large qui sera de couleur blanche avec une bande pourpre.

Huitièmement.—Il est ordonné que la Croix Militaire ne confèrera pas de préséance individuelle, mais permettra au récipiendaire d'ajouter les lettres C.M. après son nom

Neuvièmement.— Il est ordonné que toute personne qui aura été déclarée déchue de la Croix Militaire par un mandat spécial sous Notre Seing Manuel Royal renverra la dite décoration au Bureau de Notre Principal Secrétaire d'Etat pour la Guerre, et son nom sera biffé du Registre dans lequel sont inscrits les noms de ceux à qui la dite décoration a été conférée.

Finalement.—Nous nous réservons à Nous, Nos héritiers et successeurs, le plein pouvoir d'annuler, altérer, abroger, augmenter, interpréter ou Nous dispenser de ces règlements ou de toute partie des dits règlements, par avis donné sous Notre Seing Manuel Royal.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa a qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills prives.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,*—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone,*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

1. For the purposes of these regulations the expression—

"Council" means the governing body of a municipality.

"Necessary of life" means a staple and ordinary article of food (whether fresh, preserved, canned, or otherwise treated), clothing and fuel, including the products, materials and ingredients from or of which any thereof are in whole or in part manufactured, composed, derived or made.

"Municipality" means any county, district, township, parish, city, town, village, or other area within a province which is governed municipally by a council or similar body.

"Person" includes natural persons and bodies corporate.

2. (1) No persons shall conspire, combine, agree, or arrange with any other person,—

(*a*) to limit the facilities for transporting, producing, manufacturing, supplying, storing or dealing in any necessary of life, or

(*b*) to restrain or injure trade or commerce in relation to any necessary of life; or

(*c*) to prevent, limit or lessen the manufacture or production of any necessary of life, or to enhance the price thereof; or

(*d*) to prevent or lessen competition in the production, manufacture, purchase, barter, sale, transportation, insurance or supply of any necessary of life.

(2) Nothing in this section shall be construed to apply to combinations of workmen or employees for their own reasonable protection as such workmen or employees.

(3) Section 498 of the Criminal Code shall, as respects necessaries of life only, until the repeal of this section of these regulations, be deemed to have been repealed.

3. (1) No person shall accumulate or shall withhold from sale any necessary of life beyond an amount thereof reasonably required for the use or consumption of his household or for the ordinary purposes of his business;

(2) Every person who shall at any time hold any necessary of life beyond an amount thereof reasonably required as aforesaid, and every person who shall hold for the purpose of sale, whether as manufacturer, wholesaler, jobber, retailer or otherwise, any stock-in-trade of any necessary of life, shall offer for sale the said excess amount, or the said stock-in-trade, as the case may be, at prices not higher than are reasonable and just.

Provided however that this section shall not apply or extend to any accumulating or withholding by any farmer, gardener, or other person, of the products of any farm, garden or other land cultivated by him; nor shall any manufacturer, wholesaler or jobber, because of anything herein contained, be under obligation to sell to other than such classes of persons as are accustomed to purchase from manufacturers, wholesalers or jobbers, respectively, nor shall any person be under obligation to sell otherwise than in accordance with the ordinary course of business.

4. The Minister of Labour may, by notice in writing under his hand or that of his Deputy, require any person who operates, controls or manages any cold storage plant, packing house, cannery, factory, mine, warehouse, or other premises in which or in any part of which any necessary of life is prepared, manufactured, produced or held by such person for himself or for another, or who in any manner deals in any necessary of life, to make and render unto such Minister, within a time set in such notice, and such person shall make and render unto such Minister precisely as required by him, a written return under oath or affirmation showing in detail—

(*a*) the species and amount of any necessary of life held by such person at any indicated time or times, including any time preceding the making of these regulations, where and for whom said necessary is held, and if held for another, upon what terms held;

(*b*) the time when any or all of such necessary of life was prepared, manufactured, produced, acquired, or taken into possession;

(*c*) the cost of such necessary of life, including all charges and expenses of an overhead or other nature, affecting such cost;

(*d*) the price at which such necessary of life, if already sold, has been sold, or, if unsold, is held for sale;

(*e*) such other information concerning any necessary of life as the Minister may require, including a full disclosure of all existing contracts or agreements which such person, or his principal or agent, may have at any time entered into, with any other person, touching or concerning the sale or resale prices of any necessary of life, or the period of time during which any necessary of life should be held, as bailee or otherwise, before sale or resale, or limiting the quantity of any necessary of life which should be sold to any one buyer or combination of buyers or within any limited district.

5. Whenever the Council of any Municipality shall declare by way of resolution that in its opinion excessive prices are being demanded within the limits of such municipality for any necessary of life, such Council may, by notice in writing under the hand of its Clerk or other authorized officer, require any person dealing within the municipality in such necessary of life, and locally situate therein, to make and render unto such Council, precisely as required by it, a written return under oath or affirmation, showing in detail—

(*a*) The amount of such necessary of life held by such person for sale or disposition within such municipality at any indicated time or times including any time preceding the making of these regulations;

(*b*) The time when any or all of such necessary of life was acquired, produced, or brought within or into such municipality;

(*c*) The cost of such necessary of life, including all charges of an overhead or other nature affecting such cost;

(*d*) The price at which such necessary of life is held for sale or at which any sales of part of the same or of a similar necessary of life have been made by such person within such municipality at any indicated time or times, including any time preceding the making of these regulations;

(*e*) If, after the receipt of any such return, such Council shall consider that any circumstances justify reference of the return and a statement of the conditions to the Minister of Labour for further investigation at his hands, or if no return, or what the council shall consider an untrue or misleading return, is made, such Council may, by way of resolution in writing expressing the facts and the Council's conclusion therefrom, report to such Minister.

6. (1) If, after the receipt by the Minister of Labour of any return made to him or to any municipality in purported compliance with these regulations, such Minister shall consider that any circumstances so justify, or if, after a return under these regulations has been required, none is made or none is made within the time set in the notice requiring such return or within such further time as the Minister of Labour may upon special application to him allow, the said Minister shall have power to investigate the business and to examine the premises, books, papers and records of the person making or failing to make such return, as the case may be, and, for those purposes such Minister may appoint an Examiner or Examiners and may authorize in writing any examiner so appointed to enter and examine the premises, books, records and papers of such person, and to take evidence under oath or affirmation of any person who such examiner may believe has knowledge relating to such matters as ought to have been included within a proper return according to circumstances.

(2) Every person who is in possession or control of any such premises, books, records or papers shall give and afford to such examiner admission and access thereto whenever and as often as demanded.

(3) No person shall in any manner impede or prevent or attempt to impede or prevent any such investigation or examination.

(4) Every person in any manner required by such examiner to give evidence under oath or affirmation touching or concerning the matters committed to such examiner for investigation shall attend before said examiner and give evidence whenever so required.

7. Whenever, in the opinion of the Minister of Labour, after an investigation and examination held in pursuance of the powers conferred by these regulations, an offence against any of these regulations is disclosed, said Minister shall remit to the Attorney General of any Province within which such offence shall have been committed, for such action as such Attorney General may be pleased to institute because of the conditions appearing, certified copies of (*a*) any return or returns and resolutions of any municipality which may have been made, rendered or passed pursuant to these regulations and are in the possession of the Minister and relevant to such offence and of (*b*) the evidence taken on any such investigation or examination and the report of the examiner.

8. (1) No prosecution for a contravention or non-observance of any provision of these regulations shall be commenced without the written leave of the Attorney General for the province in which the offence is alleged to have been committed, expressing whether such prosecution shall be by way of indictment or under Part XV of the Criminal Code.

(2) Such prosecution shall be commenced only in the county or municipality in which some or all of the necessary of life with respect to which the alleged offence was committed were situated at the time of the commission of the offence, or in the county in which the person charged resides or carries on business.

9. (1) Any person who contravenes or fails to observe any of the provisions of these regulations shall be guilty of an indictable offence and liable upon indictment or upon summary conviction under Part XV of the Criminal Code to a penalty not exceeding five thousand dollars, or to imprisonment for any term not exceeding two years, or to both fine and imprisonment as specified; and any director or officer of any company or corporation who assents to or acquiesces in the contravention or non-observance by such company or corporation of any of the provisions of these regulations shall be guilty personally and cumulatively with his company or corporation and with his co-directors or associate officers.

(2) For the purposes of the trial of any indictment for any offence against these regulations Section 581 of the Criminal Code, authorizing speedy trials without juries, shall apply.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

C. P. 2777.

HÔTEL DU GOUVERNEMENT À OTTAWA.

VENDREDI, le 12e jour de novembre 1916.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

Il plaît à Son Excellence l'Administrateur en conseil, dans le but de prévenir l'augmentation indue du coût de l'existence, de décréter, en vertu des pouvoirs conférés à cette fin par l'article 6 de la Loi de 1914 des mesures de guerre ou dont le Gouverneur général en conseil est autrement investi, que les règlements suivants soient par ces présentes établis concernant le prix, la vente, le contrôle, l'emmagasinage, le transport, etc., des nécessités de la vie, savoir :

1. Pour les fins des présents règlements, l'expression

"Conseil" signifie le corps dirigeant d'une municipalité.

"Nécessité de la vie" signifie une denrée ordinaire et de commun usage (soit fraîche, en conserve, en boîtes, soit autrement traitée), le vêtement et le combustible, y compris les produits, matériaux et ingrédients dont l'un quelconque de ces articles est en tout ou en partie fabriqué, composé, dérivé ou confectionné.

"Municipalité" signifie tout comté, district, canton, paroisse, cité, ville, village, ou toute autre circonscription dans les limites d'une province, régie par un conseil ou autre corps municipal.

"Personne" comporte des personnes au sens ordinaire du mot et les corps constitués en corporation.

2. (1) Nulles personnes ont le droit de conspirer, s'associer convenir ou s'arranger avec une autre personne

(*a*) pour limiter les facilités de transport, de production, de fabrication, d'approvisionnement, d'emmagasinage ou de trafic d'une nécessité quelconque de la vie, ou

(*b*) pour restreindre le trafic ou commerce, ou nuire au trafic ou commerce en ce qui concerne une nécessité quelconque de la vie, ou

(*c*) pour prévenir, limiter ou diminuer la fabrication ou la production d'une nécessité de la vie, ou pour en exhausser le prix, ou

(*d*) pour prévenir ou diminuer la concurrence dans la production, la fabrication, l'achat, l'échange, la vente, le transport, l'assurance ou l'approvisionnement de toute nécessité de la vie.

(2) Rien dans le présent article n'est sensé s'appliquer à des sociétés d'ouvriers ou d'employés associés pour leur propre protection raisonnable à tel titre d'ouvriers ou d'employés.

(3) L'article 498 de la loi criminelle, mais seulement en ce qu'il concerne les nécessités de la vie, est sensé avoir été rescindé jusqu'à la rescision du présent article de ces règlements.

3. (1) Personne n'a le droit d'accumuler ou de retenir de la vente un nécessité quelconque de la vie au delà de la quantité raisonnablement requise pour l'usage ou la consommation de sa maison ou pour les fins ordinaires de son commerce.

(2) Toute personne qui, en aucun temps, retient une nécessité quelconque de la vie au-dessus d'une quantité raisonnablement requise comme susdit, et toute personne (un manufacturier, marchand de gros, commerçant, détailleur ou autre) qui retient pour la vente un fonds de commerce d'une nécessité quelconque de la vie doit mettre en vente le dit surplus de la quantité requise, ou, au cas, son fonds de commerce, à des prix non plus élevés qu'il n'est raisonnable et juste.

Toutefois, le présent article ne s'applique ni ne s'étend à l'accumulation ou la réserve par un cultivateur, un jardinier ou autre personne, de produits d'une ferme, d'un jardin, ou d'un autre terrain qu'il cultive. Nul manufacturier, marchand de gros ou commerçant est tenu par les prescriptions des présents règlements de vendre à d'autres classes de personnes que celles qui ont l'habitude d'acheter des manufacturiers, des marchands de gros ou des commerçants, respectivement; et nulle personne est tenue de vendre autrement qu'il ne se pratique dans le cours ordinaire des affaires.

4. Par un avis écrit sous son seing ou le seing de son député, le ministre du Travail peut exiger de toute personne qui exploite, régit ou gère un entrepôt frigorifique, un établissement de salaison ou de mise en conserve, une fabrique, une mine, un entrepôt ou autres lieux quelconques sur lesquels, ou dans partie desquels, est préparée, fabriquée, produite ou retenue une nécessité de la vie par telle personne, pour elle-même ou pour une autre, ou qui fait de quelque manière le trafic de cette nécessité de la vie, qu'elle fasse et soumette au dit ministre, dans un délai spécifié dans le dit avis et en la forme précise prescrite, un rapport écrit et attesté par serment ou déclaration indiquant en détail:—

(*a*) L'espèce et la quantité de toute nécessité de la vie retenue par telle personne à une date ou des dates indiquées, y compris toute date antérieure à l'établissement des présents règlements; où et pour qui la dite nécessité est retenue, et, si elle est retenue pour une autre personne, à quelle condition elle est ainsi retenue;

(*b*) La date ou toute telle nécessité de la vie a été préparée, fabriquée, produite, acquise, ou prise en possession;

(*c*) le coût de telle nécessité de la vie, y compris tous les frais et dépens, intermédiaires ou autres, qui affectent ce coût;

(*d*) Le prix auquel cette nécessité de la vie a été vendue, si elle l'a été déjà, ou, sinon, le prix auquel elle est retenue pour la vente;

(*e*) Tout autre renseignement que le ministre peut exiger concernant une nécessité quelconque de la vie, y compris l'entière déclaration de tout contrat passé ou de toute convention faite en aucun temps par telle personne, son commettant ou son agent, avec une autre personne quelconque concernant les prix de vente ou de revendage d'une nécessité quelconque de la vie, ou la période pendant laquelle une nécessité quelconque de la vie peut être retenue par un dépositaire ou autrement avant la vente ou le revendage, ou limitant la quantité d'une nécessité quelconque de la vie qui doit être vendue à un acheteur particulier, ou à une société d'acheteurs, ou vendue dans les limites d'une certaine circonscription.

5. Quand le conseil d'une municipalité quelconque aura déclaré, par arrêté, qu'à son avis des prix excessifs sont demandés dans les limites de telle municipalité pour une nécessité quelconque de la vie, ledit conseil peut, par avis écrit sous le seing de son greffier ou d'un autre fonctionnaire autorisé, exiger que toute personne qui fait le trafic de telle nécessité de la vie dans les limites de la municipalité et qui y réside, qu'elle fasse et présente audit conseil, en la forme précise qu'il exige, un rapport écrit et attesté par serment ou déclaration indiquant en détail:

(*a*) La quantité de telle nécessité de la vie détenue par telle personne pour vente ou livraison dans les limites de telle municipalité à une date ou des dates indiquées, y compris toute date antérieure à l'établissement des présents règlements;

(*b*) La date où cette nécessité de la vie a été acquise, fabriquée ou apportée dans les limites de cette municipalité;

(*c*) Le coût de cette nécessité de la vie, y compris tous les frais et dépens de nature quelconque qui affectent ce coût;

(*d*) Le prix auquel cette nécessité de la vie est retenue pour la vente, ou auquel certaines parties de cette nécessité ou d'une autre semblable ont été vendues par telle personne dans les limites de telle municipalité à une date quelconque ou à des dates indiquées, y compris toute date antérieure à l'établissement des présents règlements;

(*e*) Si au reçu de ce rapport, ledit conseil considère que les circonstances justifient le renvoi du rapport, avec un exposé des conditions, au ministre du Travail pour plus ample enquête de sa part, ou s'il n'est pas fait de rapport, ou si le conseil considère que le rapport présenté est inexact ou de nature à induire en erreur, ledit conseil, par un arrêté écrit exposant les faits et la conclusion qu'il en a tirée, peut faire rapport à ce ministre.

6. (1) Si, après que le ministre du Travail a reçu un rapport à lui adressé en propre ou ayant été adressé à une municipalité en conformité présumée des présents règlements, ledit ministre considère que des circonstances quelconques justifient ledit rapport, ou si, après demande d'un rapport sous l'empire des présents règlements, il n'en a pas été fait ou nul n'en a fait dans le délai fixé par l'avis demandant le rapport, ou dans tout autre délai que le ministre du Travail peut accorder sur requête spéciale

qui lui en est faite, ledit ministre, alors, a le pouvoir de faire enquête dans les affaires de la personne qui a fait ou n'a pas fait ce rapport, selon le cas, et d'examiner les lieux, livres, papiers et documents, et, à cette fin, ledit ministre peut nommer un examinateur ou des examinateurs et autoriser par écrit tout examinateur ainsi nommé à se rendre sur les lieux et à les examiner, ainsi que les livres, papiers et documents de telle personne, et de recevoir la déposition sous srment ou la déclaration de toute personne qui, de l'avis de l'examinateur, a certaine connaissance de ce qui aurait dû être inclus dans un rapport en règle d'après les circonstances.

(2) Toute personne qui a en sa possession ou sous son contrôle de tels lieux, livres, papiers ou documents, doit admettre ledit examinateur et lui donner accès à ces livres, papiers et documents quand et aussi souvent qu'elle en sera requise.

(3) Aucune personne n'entravera ou n'empêchera, ni ne tentera d'entraver ou d'empêcher une telle enquête ou un tel examen.

(4) Toute personne dont tel examinateur demande la déposition sous serment ou la déclaration concernant les faits dont il est chargé de s'enquérir doit se présenter devant cet examinateur et faire sa déposition en tout temps qu'elle en sera requise.

7. En tout temps où, après une enquête et un examen faits sous l'empire des pouvoirs conférés par les présents règlements, le ministre du Travail est d'avis qu'une infraction des présents règlements a été découverte, ledit ministre remettra au Procureur général de toute province dans laquelle l'infraction a été commise, aux fins de telles poursuites que peut intenter le dit Procureur général en vue des conditions apparentes, des copies authentiques de (*a*) tout rapport ou tous rapports et décrets d'une municipalité quelconque qui peuvent avoir été faits, édictés ou passés sous l'empire des présents règlements et qui sont en la possession du ministre et se rapportent à cette infraction, et (*b*) les dépositions faites à toute telle enquête ou tout tel examen et le rapport de l'examinateur.

8. (1) Nulle poursuite pour une infraction d'une disposition quelconque des présents règlements, ou pour défaut de s'y conformer, ne sera intentée sans l'autorisation écrite du Procureur général de la province où l'infraction est sensée avoir été commise, cette autorisation précisant si la poursuite doit être intentée par voie de mise en accusation ou sous l'empire des dispositions de la partie XV de la Loi criminelle.

(2) Une telle poursuite ne sera intentée que dans le comté ou la municipalité où se trouvaient, à la date de l'infraction, les nécessités de la vie ou quelqu'une de ces nécessités en rapport avec lesquelles l'infraction présumée a été commise, ou dans le comté où la personne accusée réside ou exerce son industrie.

9. (1) Toute personne qui enfreint une disposition quelconque des présents règlements ou néglige de s'y conformer est coupable de délit et, sur conviction sommaire sous l'empire de la partie XV de la Loi criminelle, est passible d'une amende n'excédant pas cinq mille dollars, ou d'emprisonnement pour une période n'excédant pas deux ans, ou des deux peines ainsi que spécifié; et tout directeur ou fonctionnaire d'une compagnie ou corporation quelconque qui consent ou acquiesce à une infraction par telle compagnie ou corporation d'une des prescriptions des présents règlements, ou au défaut de s'y conformer, est coupable personnellement et cumulativement avec sa compagnie ou corporation et avec ses co-directeurs ou les fonctionnaires qui lui sont associés.

(2) Aux fins du procès dans une poursuite pour une infraction des présents règlements s'appliqueront les prescriptions de l'article 581 de la Loi criminelle, qui autorise les procès sommaires sans jury.

Greffier du Conseil privé.

22–2

[2877]

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 20th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that William Henry Moore was granted homestead entry on the 19th May, 1903, for the southwest quarter of Section 24, Township 21, Range 1, west of the 1st Meridian, in the Province of Manitoba;

It would appear from the evidence submitted that the entrant lived upon this quarter section for six or eight months in each year from 1904 to 1908 inclusive, but he is not able to furnish the dates of commencement and termination of each period of residence, neither is he in a position to obtain witnesses who can furnish the information ;

It has been ascertained that Mr. Moore erected two houses upon this land and that both were destroyed by fire ;

Mr. Moore would also appear to have been the owner of an average of eighteen head of cattle during the time he resided upon the land,—

In view of the foregoing, taking into consideration the fact that apparently the settlement duties called for by the Act have been completed and that the only difficulty in the way of issuing patent is the failure to furnish full details as to the residence performed, the Minister recommends that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, for the sale of the said homestead to Mr. Moore at the rate of $1.00 per acre, in lieu of the performance of further settlement duties, such sale to exhaust his free homestead right.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[2878]

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 20th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that Mr. John Marshall was granted pre-emption entry for the northeast quarter of Section 33, Township 7, Range 10, west of the 3rd Meridian, on the 14th January, 1910 ;

Information has been received that this homesteader performed three terms of residence in connection with his homestead entry, but no residence in connection with the pre-emption entry. The cultivation duties have apparently been completed ;

It has been represented to the Department of the Interior that Mr. Marshall is now in his 86th year and totally incapacitated from further work or residence on the above land, that he requires the care of his immediate relatives as long as he may live and that he will, therefore, be unable to take up further residence on either his pre-emption or homestead,—

The Minister submits copy of medical cerlificate, and recommends, in view of the statements contained therein, that further residence on the part of Mr. Marshall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. Marshall upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled, and that the purchase price has been paid.

The Committee submit the same for approval.

Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

(*a*) The land sold to be brought under cultivation by irrigation ;

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding Two dollars ($2,00) per acre and the amount so credited shall be deemed to be a payment in cash made on the date of sale. Friday, the 24th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th November, 1916, from the Minister of the Interior, stating that Mr. Robert John Wilson obtained pre-emption entry for the North West quarter of Section 9, Township 4, Range 30, West of the 2nd Meridian, on the 2nd August, 1910.

It is represented that Mr. Wilson met with an accident on 31st July, 1914, which resulted in both hands being broken at the wrist, rendering him a cripple for life.

That a medical certificate furnished by Dr. C. S. Knox of Superior, Wisconsin, U.S.A., dated 21st October, 1916, sets out that Mr. Wilson had a collective fracture of both arms and that the resulting union, especially in the right, is such that he could do but very little heavy work of any kind, and that he is not in a condition to carry on farming operations.

Mr. Wilson obtained patent for his homestead on the 18th November, 1914, having completed the ordinary duties, but from the evidence on file he does not appear to have performed any residence duties since. He claims to have had twenty-five acres in crop in 1915.

The Minister recommends, in view of the foregoing, that, under the provisions of sub-section 2 of Section 20 of the Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to Mr. Wilson upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled as to duties and payment.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th November, 1916, from the Minister of the Interior, submitting that Mr. J. C. Shields, of Kamloops, British Columbia, has applied to the Department of the Interior to purchase under irrigation conditions the lands enumerated in the accompanying schedule, containing approximately an area of 1354·24 acres.

The Minister states that inspections as to the quality of the lands, the engineering features and the feasibility of the project have been made by officers of the Department of the Interior, who have reported that the lands are useless for agriculture without irrigation, that they can be made productive with the aid of water by artificial means and that from an engineering standpoint the project is practicable. The lands are vacant and available for the purpose.

The Minister therefore recommends that the lands enumerated in the accompanying schedule be sold to the applicant on the following terms and conditions :

(*a*) The lands sold to be brought under cultivation by irrigation.

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount no exceeding two dollars per acre ($2.00), and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar ($1.00) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5% per annum.

(*c*) The necessary water rights to be secured from the Provincial Government of British Columbia ; no work to be done on the land until preliminary water rights are secured from the Province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the provincial authorities in connection with the water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior,

(*e*) Examination to be made by engineers of the Department of the Interior on completion of the work.

(*f*) Patent to issue, when conditions completed, for those parcels, the irrigable portions of which have been brought under cultivation by irrigation

(*g*) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.

(*h*) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 24th October, 1916, from the Minister of the Interior, submitting that application has been received from the Canadian Pacific Railway Company for a parcel of land comprising the surface rights over the tunnels and the land required for a change in the right of way between Hector and Field, in Township 28, Ranges 17 and 18, west of the 5th Meridian, in the Yoho Park, as shown on the plan of the grade revision and extra land required between Hector and Field, British Colombia, Mile 125·7 to Mile 133·7, approved and confirmed by E. Deville, surveyor general, and on record in the Department of the Interior as right of way of plan No. 19704.

The Minister states that the company have surrendered to the Crown the title to the original right of way.

The Minister therefore recommends that under the authority of section 16 of The Forest Reserves and Parks Act, he be authorized to issue patent to the Canadian Pacific Railway Company for the land required as above described; this patent to be subject to the following conditions:—

That it shall be subject to all Dominion Parks Regulations now in force or which may be made from time to time in that behalf by the Governor in Council.

That the Department reserves the right to enter on the surface land above the tunnels or on any of the extra land along the right of way over and above the usual allowance of 100 feet for right of way, being 50 feet on each side of the centre line of the railway tracks for the purpose of constructing roads, paths, etc., or for any park or public purpose whatsoever, and also to reserve the right to permit the public to resort thereto, providing that the use of this land does not unduly interfere with the operation of the company's railway lines or tunnels.

That the company shall not be held responsible for any claims from any persons by reason of damages resulting from any accident occurring on the property, any surface rights in connection with which have been reserved by the Department, providing it can be clearly shown that such accident is not the result of any negligence on the part of the company or its employees.

THE Committee of the Privy Council have had before them a report, dated 27th October, 1916, from the Minister of the Interior, submitting that Mr. Addison K. Walker was granted homestead entry for the northwest quarter of Section 36, Township 20, west of the 4th Meridian, on the 29th December, 1902

It has been ascertained that Mr. Walker has performed one term of six months residence upon the land and that he has brought seventy acres under cultivation and has also fenced the said seventy acres;

Owing to lack of shelter for his stock, of which he owned a large number, Mr. Walker was compelled to move from his homestead to another parcel of land in the vicinity, which he held under grazing lease;

On this latter place Mr. Walker lived continuously from November, 1903, to April, 1913. He also made substantial improvements upon this latter parcel,—

The Minister therefore recommends—in view of the residence performed and the area cultivated, and taking into consideration the fact that Mr. Walker is a substantial settler—that, in accordance with the provisions of section 76 of the Act, the land be sold to the entrant at the rate of $1.00 per acre, in lieu of further residence duties, this privilege to exhaust Mr. Walker's homestead right.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

Mardi, le 31e jour d'octobre 1916.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 24 octobre 1916, représentant que la Compagnie de chemin de fer Pacifique Canadien a demandé la concession d'un terrain comprenant les droits de surface au-dessus des tunnels, ainsi que le terrain requis pour un changement du passage de la voie entre Hector et Field, dans le township 28, rangs 17 et 18, à l'ouest du 5e méridien, dans le parc Yoho, ainsi qu'indiqué sur le plan du changement de la rampe et du terrain additionnel requis entre Hector et Field, Colombie-Britannique, mille 125·7 à mille 133·7, approuvé et confirmé par E. Deville, arpenteur général, et déposé au Ministère de l'Intérieur sous la désignation "plan de passage n° 19704."

Le Ministre représente que la compagnie a cédé à la Couronne son titre au premier droit de passage,—

Par conséquent, le Ministre demande l'autorisation, sous l'empire de l'article 16 de la *Loi des rêserves forestières et des parcs fédéraux*, d'accorder la patente du terrain demandé et ci-haut décrit à la Compagnie de chemin de fer Pacifique Canadien, sujet cependant aux conditions suivantes :

Que le terrain en question sera sujet à l'application de tous les règlements des parcs fédéraux actuellement en vigueur, ainsi que de tous autres règlements que le Gouverneur en conseil peut à l'avenir promulguer à ce sujet.

Que le dit terrain, tout en servant aux fins pour lesquelles il a été cédé, continuera à faire partie de la réserve dans les limites de laquelle il est situé, et redeviendra propriété de la Couronne dès qu'il servira à des fins autres que celles qui sont prévues dans les présentes.

Le Département se réserve le droit de pénétrer sur le terrain au dessus des tunnels ou sur toute autre partie du terrain additionnel susdit, le long du passage de la voie, excédant la concession ordinaire de cent pieds, soit cinquante pieds de chaque côté de la ligne de centre de la voie, pour la construction de chemins, routes, etc., ou pour les fins d'un parc ou autres fins publiques quelconques ; le Département se réserve aussi le droit de permettre au public de se servir de ces chemins ou routes et de fréquenter ces parcs, pourvu, toutefois, que cette permission ne nuise pas à l'exploitation des voies ferrées ou des tunnels de la compagnie.

La compagnie ne sera responsable dans aucune poursuite en dommages-intérêts par quiconque aura souffert d'un accident survenu sur la propriété dont les droits de surface ont été mis en réserve par le Département, pourvu toutefois qu'il soit clairement prouvé que cet accident n'est pas le résultat de négligence de la part de la compagnie ou de ses employés.

Le comité agrée cette recommandation et la soumet pour approbation.

ATTENDU que madame Bessie Eaton, de Griffin Creek, dans la province d'Alberta, a demandé la concession gratuite du lot n° 7 dans l'établissement de Shaftesbury, en la dite province d'Alberta, comprenant une superficie de 82·6 acres ;

Attendu que la preuve déposée au Département de l'Intérieur démontre que madame Eaton a acquis le lot en question par l'entremise des ayants droit du révérend Henry Robinson, qui occupait ce lot à la date de la conclusion du traité indien n° 8, à l'été de 1899, et qui, par conséquent, avait droit à la concession gratuite du dit lot ;

Attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives du Département de l'Intérieur,—

Par conséqéent, il plaît à Son Excellence l'Administrateur en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, d'autoriser la concession gratuite à madame Eaton du lot n° 7, de l'établissement de Shaftesbury, dans la dite province d'Alberta comprenant une superficie de 82 6 acres.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 novembre 1916, représentant que le 22 août 1916, M. Robert John Wilson a obtenu l'inscription de préemption du quart nord-ouest de la section 9, township 4, rang 30, à l'ouest du 2e méridien ;

Il a été représenté que le 31 juillet 1914, M. Wilson a été victime d'un accident dans lequel il eut les deux poignets fracturés, ce qui le prive de l'usage de ses mains et le rend infirme pour la vie ;

Un certificat médical du docteur C. S. Knox de Superior Wisconsin, E.U.A., en date du 21 octobre 1916, certifie que M. Wilson a subi une fracture collective des deux bras et que la réduction, surtout celle du bras droit, est telle qu'il se trouve dans l'impossibilité de faire un dur travail et de poursuivre les opérations de la ferme.

M. Wilson a obtenu une patente pour son homestead le 18 novembre 1914 après avoir rempli les obligations ordinaires mais d'après la preuve déposée il n'appert pas qu'il a rempli depuis aucune autre obligation de résidence.

Il prétend qu'en 1915 il avait 25 acres en culture.

A ces causes le Ministre recommande sous l'empire du paragraphe 2 de l'article 20 de la Loi de 1908 des terres fédérales de relever le dit inscrit de toute autre obligation de résidence, afin que toute soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies en ce qui concerne les obligations et les redevances.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le chapitre 47 des statuts revisés de 1906, *Loi à l'effet de protéger les douanes et les pêcheries*, prescrit que le Gouverneur en conseil peut, à toute époque, autoriser la délivrance de permis aux navires de pêche des Etats-Unis, les autorisant à entrer dans tout port du Canada sur les côtes de l'Atlantique, durant les périodes de temps mentionnées dans ces permis pour les fins d'acheter les appâts, la glace, les seines, lignes et tous autres approvisionnements et fournitures, et de transborder le produit de leur pêche et d'engager des équipages ; et

Attendu que l'autorisation de délivrer ces permis a été accordée tous les ans depuis 1888, et que le Ministre du Service Naval est d'avis qu'il est opportun de continuer d'accorder ces privilèges pour l'année 1917 comme par les années passées, à des navires qui n'emploient d'autre énergie motrice que des voiles ;

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil d'autoriser la délivrance aux navires de pêche des Etats-Unis qui y ont droit, pour la durée de l'année 1917, de permis dans les termes de la formule ci-annexée pour les fins prévues dans la dite loi, à savoir :—

(*a*) d'acheter les appâts, la glace, les seines, lignes, et tous autres approvisionnements et fournitures ; et

(*b*) de transborder le produit de leur pêche et d'engager des équipages.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

ATTENDU que par un arrêté en conseil du 24 octobre 1912, la compagnie dite " The Ashcroft Water Electric and Improvement Co., Limited," d'Ashcroft, C.-B., fut autorisée d'acheter, aux conditions de vente des terres vendues pour l'irrigation, les terrains mentionnés dans l'annexe au dit arrêté en conseil, et

Attendu qu'entre autres conditions, il fut stipulé que la compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaires à l'irrigation des dits terrains ; et que la compagnie construira dans un délai de trois ans un système d'irrigation adéquat et satisfaisant et cultivera 50% des parties irrigables des dits terrains, et que toutes autres parties irrigables des dits terrains seront irriguées et mises en culture dans un délai de cinq ans, etc., et

Attendu que la compagnie a représenté qu'il a surgi certaines complications dans les négociations pour l'obtention des autorités provinciales des droits à l'eau lesquelles l'ont forcée de retarder le commencement des travaux d'irrigation ; et

Attendu que la dite compagnie représente de plus qu'elle compte qu'une extension de l'autorisation qui lui a été accordée par le dit arrêté en conseil lui permettra d'obtenir les droits à l'eau nécessaires ; et

Attendu que la compagnie a fait le premier versement sur le prix exigé par ledit arrêté en conseil ,—

En conséquence il plaît à Son Excellence l'Administrateur en conseil de décréter par les présentes ce qui suit :

La période limitée pour l'obtention des droits à l'eau et pour la construction d'un système d'irrigation adéquat et satisfaisant pour les terrains mentionnés dans l'annexe au dit arrêté en conseil du 24 octobre 1912, et la période pour l'irrigation et la mise en culture des parties irrigables des dits terrains est par les présentes prolongée pour trois ans à compter de cette date :

Les dispositifs du dit arrêté en conseil du 24 octobre 1912, resteront en tout autre point en pleine vigueur. L'emploi, la diversion et l'emmagasinage de l'eau, la construction et l'entretien de tous les travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être en conformité aux dispositions de la loi de 1914 de la Colombie-Britannique concernant l'eau, et ses modifications.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 novembre 1916, représentant que M. Olivier Ghostkeeper, de Grouard, province de l'Alberta, a demandé la concession gratuite du lot n° 108, de l'établissement de la Grande Prairie, dans la dite province de l'Alberta, contenant par mesurage 68·5 acres, plus ou moins, en vertu du fait qu'il occupait le dit terrain à la date de l'extinction du titre des sauvages.

Comme il a été établi que M. Ghostkeeper résidait sur le dit terrain lors de la conclusion du traité indien n° 8, à l'été de 1899, le ministre recommande, qu'en vertu des dispositions de l'article 76 de la Loi des terres fédérales, autorisation soit donnée d'accorder la concession gratuite du dit lot n° 108 de l'établissement de la Grande Prairie, dans la province de l'Alberta, à M. AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 14 janvier 1910, M. John Marshall, a obtenu une inscription de préemption pour le quart nord-est de la section 33, township 7, rang 10, à l'ouest du 3e méridien ;

Il a été représenté que le dit inscrit a fait trois termes de résidence en satisfaction de son inscription de homestead mais ne s'est pas conformé à ses obligations de résidence relativement à son inscription de préemption. Il appert que les obligations de culture ont été remplies ;

Il a été représenté au Département de l'Intérieur que M. Marshall est âgé maintenant de 86 ans et désormais tout à fait incapable de travailler et de remplir ses obligations de résidence sur le dit terrain ; qu'il lui faut les soins de sa famille pour le reste de ses jours et que, par conséquent, il lui est impossible de remplir aucune autre obligation de résidence en satisfaction soit de sa préemption soit de son homestead,—

Le Ministre soumet une copie d'un certificat médical et, vu les représentations y contenues, recommande que M. Marshall soit relevé de toutes autres obligations de résidence, sous l'empire du paragraphe 2, de l'article 20, de la *Loi des terres fédérales*, (chapitre 20, 7–8 Edouard VII), aux fins de permettre l'émission d'une patente au nom de M. PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, de Cache Creek, Colombie-Britannique, a fait la demande au Département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, 307.9 acres de terrain consistant en lopins fractionnaires entourant la propriété principale de la compagnie près de Cache Creek, dans la zone des chemins de fer de la Colombie-Britannique, l'intention de la compagnie étant d'établir sur le tout un système d'irrigation.

Le Ministre représente qu'après inspection les fonctionnaires du département de l'Intérieur ont fait rapport que sans irrigation les dits terrains sont impropres à l'agriculture et que l'irrigation en est possible pourvu qu'on puisse se procurer l'eau nécessaire à cette fin.

Par conséquent, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, aux conditions suivantes:

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars ($2) l'acre, et le montant ainsi déduit sera considéré un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit : Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de la dite autorisation ou avant l'expiration des dites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à cinq pour cent par année.

(*c*) Les droits d'eau nécessaires doivent être obtenus du gouvernement provincial de la Colombie-Britannique, et il ne doit se faire aucuns travaux sur les dits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doient se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les dits travaux, auquels cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen de l'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix d'achat ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente, les dites terres, ou tous droits en rapport avec icelles, ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 19 mai 1903, William Henry Moore a obtenu une inscription de homestead pour le quart sud-ouest de la section 24, township 21, rang 1, à l'ouest du 1er méridien, dans la province de Manitoba ;

Il appert de la preuve déposée que l'inscrit a résidé sur ce quart de section pendant six ou huit mois chaque année de 1904 à 1908, inclusivement, mais il lui est impossible de donner les dates du commencement et de la fin de chacune des périodes de sa résidence, et il lui est aussi impossible de trouver des témoins qui pourraient fournir ces renseignements ;

Il a été constaté que M. Moore a construit deux maisons sur le dit terrain et que toutes deux ont été détruites par le feu ;

Il appert aussi que M. Moore, aux époques de sa résidence sur le dit terrain, a été propriétaire de dix-huit têtes de bétail en moyenne,—

A ces causes, prenant en considération le fait que, apparemment, les obligations d'établissement prescrites par la loi ont été remplies et que le seul obstacle à l'émission d'une patente est l'impossibilité de fournir tous les détails concernant la résidence, le Ministre recommande qu'il soit autorisé, sous l'empire du paragraphe (*l*) de l'article 76 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, de vendre le dit homestead à M. Moore à raison de $1 l'acre, en lieu et place de toutes autres obligations de résidence, la dite vente devant être une forclusion des droits du dit M. Moore à un homestead gratuit.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 novembre 1916, représentant que M. J. C. Shields de Kamloops, Colombie-Britannique, a fait la demande au département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, les terrains énumérés dans l'annexe aux présentes et contenant approximativement une superficie de 1354·24 acres.

Le Ministre représente qu'après inspection pour déterminer la valeur des dites terres, les travaux à faire et la praticabilité du projet, les fonctionnaires du Département de l'Intérieur ont fait rapport que les dites terres sont impropres à la culture sans irrigation, qu'on peut les rendre productives en y conduisant de l'eau par des moyens artificiels et qu'au point de vue du génie les travaux sont praticables. Les dits terrains sont vacants et disponibles à ces fins.

A ces causes, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à M. Shields aux termes et conditions qui suivent :—

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars l'acre ($2), et le montant ainsi déduit sera considéré comme un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit :

Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de ladite autorisation ou avant l'expiration desdites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à 5% par année.

(*c*) Les droits d'eau nécessaire doivent être obtenus du gouvernement provincial de la Colombie-Britannique et il ne doit se faire aucuns travaux sur lesdits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auquel cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du Département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen d'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente les dites terres ou tout droit en rapport avec icelles ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

CONSIDÉRANT que le paragraphe 9 des règlements concernant les aubains de nationalité ennemie, règlements sanctionnés par un arrêté en conseil du 20 septembre 1916, déclarent certains délits passibles de peine sous la partie XIV de la Loi criminelle ;

Considérant que ces délits sont passibles des peines sous la partie XV de la Loi criminelle ;

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil de modifier les dits règlements en retranchant XIV dudit paragraphe 9 et y substituant XV, et lesdits règlements sont par ces présentes modifiés en conséquence.

Mercredi, le 15e jour de novembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9e jour de novembre 1916, représentant que le 3 juillet 1914, Alfred H. Breach a obtenu l'inscription de homestead et de préemptiou du quart sud-est de la section 27 ainsi que du quart nord-est de la section 22 respectivement, dans le township 22, rang 7, à l'ouest du 4e méridien.

Les certaines preuves déposées semblent établir que M. Breach a pu accomplir un terme de résidence.

Le Ministre soumet la copie annexée d'un certificat du docteur Arthur L. Lynch, établissant que M. Breach est désormais incapable de remplir ses obligations de homestead.

Dans ces circonstances, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Breach soit relevé des obligations de résidence prescrites pour permettre que des patentes des deux quarts de section ci-haut décrits soient délivrées sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 octobre 1916, représentant que le 29 décembre 1902, M. Addison K. Walker a obtenu l'inscription de homestead du quart nord-ouest de la section 36, township 20, à l'ouest du 4e méridien ;

Il a été établi que M. Walker a accompli un terme de six mois de résidence sur ce terrain, et y a clôturé et mis en culture 70 acres ;

Manquant d'abri pour son troupeau, qui était très nombreux, M Walker fut forcé de quitter son homestead pour un autre terrain avoisinant qu'il détenait sous bail à pâturage ;

M. Walker résida sur ce dernier terrain sans interruption de novembre 1903 à avril 1913, et y fit des améliorations importantes,—

Le Ministre recommande, par conséquent, que vu la résidence accomplie par M. Walker, la superficie qu'il y a mis en culture et le fait qu'il est un colon important, le terrain soit, conformément à l'article 76 de la Loi, vendu à cet inscrit au prix de $1 l'acre, que M. Walker soit relevé de toute autre obligation de résidence, ce privilège complétant l'accomplissement des obligations et lui donnant droit à son homestead.

Le comité soumet cette recommandation pour approbation.

ATTENDU que M. Charles Paquette, de Hudson's Hope, dans la province de la Colombie-Britannique, a demandé la concession gratuite de cette partie du quart nord-ouest de la section 18, township 81, rang 25, à l'ouest du 6e méridien, située à l'ouest de la rivière à la Paix, dans la subdivision de la Rivière à la Paix, dans la dite province de la Colombie-Britannique, en vertu du fait qu'il occupait le dit terrain à la date de d'extinction du titre des sauvages ;

Et attendu qu'il a été établi que M. Paquette résidait sur le dit terrain lors de la conclusion du traité indien n° 8 à l'été de 1899.

Par conséquent, il plaît à Son Excellence le Gouverneur général en Conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, d'autoriser la concession gratuite au requérant du terrain en question, qui peut être décrit plus particulièrement comme suit :

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....$	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000 et n'excède pas $500,000.....	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000.....	150 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa a qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SUPPLEMENT

TO

The Canada Gazette

PUBLISHED BY AUTHORITY.

OTTAWA, SATURDAY, DECEMBER 2, 1916.

P.C. 2777.

AT THE GOVERNMENT HOUSE AT OTTAWA.

FRIDAY, the 10th day of November, 1916.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

His Excellency the Administrator in Council with a view to prevent the undue enhancement of the cost of living, is pleased, under the power in that behalf conferred by Section 6 of the War Measures Act, 1914, or otherwise vested in the Governor General in Council, to make the following regulations respecting the price, sale, control, storage, transport, etc., of the necessaries of life and the same are hereby made and enacted accordingly:—

1. For the purposes of these regulations the expression—

"Council" means the governing body of a municipality.

"Necessary of life" means a staple and ordinary article of food (whether fresh, preserved, canned, or otherwise treated), clothing and fuel, including the products, materials and ingredients from or of which any thereof are in whole or in part manufactured, composed, derived or made.

"Municipality" means any county, district, township, parish, city, town, village, or other area within a province which is governed municipally by a council or similar body.

"Person" includes natural persons and bodies corporate.

2. (1) No persons shall conspire, combine, agree, or arrange with any other person,—

(*a*) to limit the facilities for transporting, producing, manufacturing, supplying, storing or dealing in any necessary of life, or

(*b*) to restrain or injure trade or commerce in relation to any necessary of life; or

(*c*) to prevent, limit or lessen the manufacture or production of any necessary of life, or to enhance the price thereof; or

(*d*) to prevent or lessen competition in the production, manufacture, purchase, barter, sale, transportation, insurance or supply of any necessary of life.

(2) Nothing in this section shall be construed to apply to combinations of workmen or employees for their own reasonable protection as such workmen or employees.

(3) Section 498 of the Criminal Code shall, as respects necessaries of life only, until the repeal of this section of these regulations, be deemed to have been repealed.

3. (1) No person shall accumulate or shall withhold from sale any necessary of life beyond an amount thereof reasonably required for the use or consumption of his household or for the ordinary purposes of his business;

(2) Every person who shall at any time hold any necessary of life beyond an amount thereof reasonably required as aforesaid, and every person who shall hold for the purpose of sale, whether as manufacturer, wholesaler, jobber, retailer or otherwise, any stock-in-trade of any necessary of life, shall offer for sale the said excess amount, or the said stock-in-trade, as the case may be, at prices not higher than are reasonable and just.

Provided however that this section shall not apply or extend to any accumulating or withholding by any farmer, gardener, or other person, of the products of any farm, garden or other land cultivated by him; nor shall any manufacturer, wholesaler or jobber, because of anything herein contained, be under obligation to sell to other than such classes of persons as are accustomed to purchase from manufacturers, wholesalers or jobbers, respectively, nor shall any person be under obligation to sell otherwise than in accordance with the ordinary course of business.

4. The Minister of Labour may, by notice in writing under his hand or that of his Deputy, require any person who operates, controls or manages any cold storage plant, packing house, cannery, factory, mine, warehouse, or other premises in which or in any part of which any necessary of life is prepared, manufactured, produced or held by such person for himself or for another, or who in any manner deals in any necessary of life, to make and render unto such Minister, within a time set in such notice, and such person shall make and render unto such Minister precisely as required by him, a written return under oath or affirmation showing in detail—

(*a*) the species and amount of any necessary of life held by such person at any indicated time or times, including any time preceding the making of these regulations, where and for whom said necessary is held, and if held for another, upon what terms held;

(*b*) the time when any or all of such necessary of life was prepared, manufactured, produced, acquired, or taken into possession;

(*c*) the cost of such necessary of life, including all charges and expenses of an overhead or other nature, affecting such cost;

(*d*) the price at which such necessary of life, if already sold, has been sold, or, if unsold, is held for sale;

(*e*) such other information concerning any necessary of life as the Minister may require, including a full disclosure of all existing contracts or agreements which such person, or his principal or agent, may have at any time entered into, with any other person, touching or concerning the sale or resale prices of any necessary of life, or the period of time during which any necessary of life should be held, as bailee or otherwise, before sale or resale, or limiting the quantity of any necessary of life which should be sold to any one buyer or combination of buyers or within any limited district.

5. Whenever the Council of any Municipality shall declare by way of resolution that in its opinion excessive prices are being demanded within the limits of such municipality for any necessary of life, such Council may, by notice in writing under the hand of its Clerk or other authorized officer, require any person dealing within the municipality in such necessary of life, and locally situate therein, to make and render unto such Council, precisely as required by it, a written return under oath or affirmation, showing in detail—

(*a*) The amount of such necessary of life held by such person for sale or disposition within such municipality at any indicated time or times including any time preceding the making of these regulations;

(*b*) The time when any or all of such necessary of life was acquired, produced, or brought within or into such municipality;

(*c*) The cost of such necessary of life, including all charges of an overhead or other nature affecting such cost;

(*d*) The price at which such necessary of life is held for sale or at which any sales of part of the same or of a similar necessary of life have been made by such person within such municipality at any indicated time or times, including any time preceding the making of these regulations;

(*e*) If, after the receipt of any such return, such Council shall consider that any circumstances justify reference of the return and a statement of the conditions to the Minister of Labour for further investigation at his hands, or if no return, or what the council shall consider an untrue or misleading return, is made, such Council may, by way of resolution in writing expressing the facts and the Council's conclusion therefrom, report to such Minister.

6. (1) If, after the receipt by the Minister of Labour of any return made to him or to any municipality in purported compliance with these regulations, such Minister shall consider that any circumstances so justify, or if, after a return under these regulations has been required, none is made or none is made within the time set in the notice requiring such return or within such further time as the Minister of Labour may upon special application to him allow, the said Minister shall have power to investigate the business and to examine the premises, books, papers and records of the person making or failing to make such return, as the case may be, and, for those purposes such Minister may appoint an Examiner or Examiners and may authorize in writing any examiner so appointed to enter and examine the premises, books, records and papers of such person, and to take evidence under oath or affirmation of any person who such examiner may believe has knowledge relating to such matters as ought to have been included within a proper return according to circumstances.

(2) Every person who is in possession or control of any such premises, books, records or papers shall give and afford to such examiner admission and access thereto whenever and as often as demanded.

(3) No person shall in any manner impede or prevent or attempt to impede or prevent any such investigation or examination.

(4) Every person in any manner required by such examiner to give evidence under oath or affirmation touching or concerning the matters committed to such examiner for investigation shall attend before said examiner and give evidence whenever so required.

7. Whenever, in the opinion of the Minister of Labour, after an investigation and examination held in pursuance of the powers conferred by these regulations, an offence against any of these regulations is disclosed, said Minister shall remit to the Attorney General of any Province within which such offence shall have been committed, for such action as such Attorney General may be pleased to institute because of the conditions appearing, certified copies of (*a*) any return or returns and resolutions of any municipality which may have been made, rendered or passed pursuant to these regulations and are in the possession of the Minister and relevant to such offence and of (*b*) the evidence taken on any such investigation or examination and the report of the examiner.

8. (1) No prosecution for a contravention or non-observance of any provision of these regulations shall be commenced without the written leave of the Attorney General for the province in which the offence is alleged to have been committed, expressing whether such prosecution shall be by way of indictment or under Part XV of the Criminal Code.

(2) Such prosecution shall be commenced only in the county or municipality in which some or all of the necessary of life with respect to which the alleged offence was committed were situated at the time of the commission of the offence, or in the county in which the person charged resides or carries on business.

9. (1) Any person who contravenes or fails to observe any of the provisions of these regulations shall be guilty of an indictable offence and liable upon indictment or upon summary conviction under Part XV of the Criminal Code to a penalty not exceeding five thousand dollars, or to imprisonment for any term not exceeding two years, or to both fine and imprisonment as specified; and any director or officer of any company or corporation who assents to or acquiesces in the contravention or non-observance by such company or corporation of any of the provisions of these regulations shall be guilty personally and cumulatively with his company or corporation and with his co-directors or associate officers.

(2) For the purposes of the trial of any indictment for any offence against these regulations Section 581 of the Criminal Code, authorizing speedy trials without juries, shall apply.

HÔTEL DU GOUVERNEMENT À OTTAWA.

VENDREDI, le 12e jour de novembre 1916.

PRÉSENT :

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

Il plaît à Son Excellence l'Administrateur en conseil, dans le but de prévenir l'augmentation indue du coût de l'existence, de décréter, en vertu des pouvoirs conférés à cette fin par l'article 6 de la Loi de 1914 des mesures de guerre ou dont le Gouverneur général en conseil est autrement investi, que les règlements suivants soient par ces présentes établis concernant le prix, la vente, le contrôle, l'emmagasinage, le transport, etc., des nécessités de la vie, savoir :

1. Pour les fins des présents règlements, l'expression

"Conseil" signifie le corps dirigeant d'une municipalité.

"Nécessité de la vie" signifie une denrée ordinaire et de commun usage (soit fraîche, en conserve, en boîtes, soit autrement traitée), le vêtement et le combustible, y compris les produits, matériaux et ingrédients dont l'un quelconque de ces articles est en tout ou en partie fabriqué, composé, dérivé ou confectionné.

"Municipalité" signifie tout comté, district, canton, paroisse, cité, ville, village, ou toute autre circonscription dans les limites d'une province, régie par un conseil ou autre corps municipal.

"Personne" comporte des personnes au sens ordinaire du mot et les corps constitués en corporation.

2. (1) Nulles personnes ont le droit de conspirer, s'associer convenir ou s'arranger avec une autre personne

(*a*) pour limiter les facilités de transport, de production, de fabrication, d'approvisionnement, d'emmagasinage ou de trafic d'une nécessité quelconque de la vie, ou

(*b*) pour restreindre le trafic ou commerce, ou nuire au trafic ou commerce en ce qui concerne une nécessité quelconque de la vie, ou

(*c*) pour prévenir, limiter ou diminuer la fabrication ou la production d'une nécessité de la vie, ou pour en exhausser le prix, ou

(*d*) pour prévenir ou diminuer la concurrence dans la production, la fabrication, l'achat, l'échange, la vente, le transport, l'assurance ou l'approvisionnement de toute nécessité de la vie.

(2) Rien dans le présent article n'est sensé s'appliquer à des sociétés d'ouvriers ou d'employés associés pour leur propre protection raisonnable à tel titre d'ouvriers ou d'employés.

(3) L'article 498 de la loi criminelle, mais seulement en ce qu'il concerne les nécessités de la vie, est sensé avoir été rescindé jusqu'à la rescision du présent article de ces règlements.

3. (1) Personne n'a le droit d'accumuler ou de retenir de la vente un nécessité quelconque de la vie au delà de la quantité raisonnablement requise pour l'usage ou la consommation de sa maison ou pour les fins ordinaires de son commerce.

(2) Toute personne qui, en aucun temps, retient une nécessité quelconque de la vie au-dessus d'une quantité raisonnablement requise comme susdit, et toute personne (un manufacturier, marchand de gros, commerçant, détailleur ou autre) qui retient pour la vente un fonds de commerce d'une nécessité quelconque de la vie doit mettre en vente le dit surplus de la quantité requise, ou, au cas, son fonds de commerce, à des prix non plus élevés qu'il n'est raisonnable et juste.

Toutefois, le présent article ne s'applique ni ne s'étend à l'accumulation ou la réserve par un cultivateur, un jardinier ou autre personne, de produits d'une ferme, d'un jardin, ou d'un autre terrain qu'il cultive. Nul manufacturier, marchand de gros ou commerçant est tenu par les prescriptions des présents règlements de vendre à d'autres classes de personnes que celles qui ont l'habitude d'acheter des manufacturiers, des marchands de gros ou des commerçants, respectivement; et nulle personne est tenue de vendre autrement qu'il ne se pratique dans le cours ordinaire des affaires.

4. Par un avis écrit sous son seing ou le seing de son député, le ministre du Travail peut exiger de toute personne qui exploite, régit ou gère un entrepôt frigorifique, un établissement de salaison ou de mise en conserve, une fabrique, une mine, un entrepôt ou autres lieux quelconques sur lesquels, ou dans partie desquels, est préparée, fabriquée, produite ou retenue une nécessité de la vie par telle personne, pour elle-même ou pour une autre, ou qui fait de quelque manière le trafic de cette nécessité de la vie, qu'elle fasse et soumette au dit ministre, dans un délai spécifié dans le dit avis et en la forme précise prescrite, un rapport écrit et attesté par serment ou déclaration indiquant en détail:—

(*a*) L'espèce et la quantité de toute nécessité de la vie retenue par telle personne à une date ou des dates indiquées, y compris toute date antérieure à l'établissement des présents règlements; où et pour qui la dite nécessité est retenue, et, si elle est retenue pour une autre personne, à quelle condition elle est ainsi retenue;

(*b*) La date ou toute telle nécessité de la vie a été préparée, fabriquée, produite, acquise, ou prise en possession;

(*c*) le coût de telle nécessité de la vie, y compris tous les frais et dépens, intermédiaires ou autres, qui affectent ce coût;

(*d*) Le prix auquel cette nécessité de la vie a été vendue, si elle l'a été déjà, ou, sinon, le prix auquel elle est retenue pour la vente;

(*e*) Tout autre renseignement que le ministre peut exiger concernant une nécessité quelconque de la vie, y compris l'entière déclaration de tout contrat passé ou de toute convention faite en aucun temps par telle personne, son commettant ou son agent, avec une autre personne quelconque concernant les prix de vente ou de revendage d'une nécessité quelconque de la vie, ou la période pendant laquelle une nécessité quelconque de la vie peut être retenue par un dépositaire ou autrement avant la vente ou le revendage, ou limitant la quantité d'une nécessité quelconque de la vie qui doit être vendue à un acheteur particulier, ou à une société d'acheteurs, ou vendue dans les limites d'une certaine circonscription.

5. Quand le conseil d'une municipalité quelconque aura déclaré, par arrêté, qu'à son avis des prix excessifs sont demandés dans les limites de telle municipalité pour une nécessité quelconque de la vie, ledit conseil peut, par avis écrit sous le seing de son greffier ou d'un autre fonctionnaire autorisé, exiger que toute personne qui fait le trafic de telle nécessité de la vie dans les limites de la municipalité et qui y réside, qu'elle fasse et présente audit conseil, en la forme précise qu'il exige, un rapport écrit et attesté par serment ou déclaration indiquant en détail:

(*a*) La quantité de telle nécessité de la vie détenue par telle personne pour vente ou livraison dans les limites de telle municipalité à une date ou des dates indiquées, y compris toute date antérieure à l'établissement des présents règlements;

(*b*) La date où cette nécessité de la vie a été acquise, fabriquée ou apportée dans les limites de cette municipalité;

(*c*) Le coût de cette nécessité de la vie, y compris tous les frais et dépens de nature quelconque qui affectent ce coût;

(*d*) Le prix auquel cette nécessité de la vie est retenue pour la vente, ou auquel certaines parties de cette nécessité ou d'une autre semblable ont été vendues par telle personne dans les limites de telle municipalité à une date quelconque ou à des dates indiquées, y compris toute date antérieure à l'établissement des présents règlements;

(*e*) Si au reçu de ce rapport, ledit conseil considère que les circonstances justifient le renvoi du rapport, avec un exposé des conditions, au ministre du Travail pour plus ample enquête de sa part, ou s'il n'est pas fait de rapport, ou si le conseil considère que le rapport présenté est inexact ou de nature à induire en erreur, ledit conseil, par un arrêté écrit exposant les faits et la conclusion qu'il en a tirée, peut faire rapport à ce ministre.

6. (1) Si, après que le ministre du Travail a reçu un rapport à lui adressé en propre ou ayant été adressé à une municipalité en conformité présumée des présents règlements, ledit ministre considère que des circonstances quelconques justifient ledit rapport, ou si, après demande d'un rapport sous l'empire des présents règlements, il n'en a pas été fait ou nul n'en a fait dans le délai fixé par l'avis demandant le rapport, ou dans tout autre délai que le ministre du Travail peut accorder sur requête spéciale

qui lui en est faite, ledit ministre, alors, a le pouvoir de faire enquête dans les affaires de la personne qui a fait ou n'a pas fait ce rapport, selon le cas, et d'examiner les lieux, livres, papiers et documents, et, à cette fin, ledit ministre peut nommer un examinateur ou des examinateurs et autoriser par écrit tout examinateur ainsi nommé à se rendre sur les lieux et à les examiner, ainsi que les livres, papiers et documents de telle personne, et de recevoir la déposition sous srment ou la déclaration de toute personne qui, de l'avis de l'examinateur, a certaine connaissance de ce qui aurait dû être inclus dans un rapport en règle d'après les circonstances.

(2) Toute personne qui a en sa possession ou sous son contrôle de tels lieux, livres, papiers ou documents, doit admettre ledit examinateur et lui donner accès à ces livres, papiers et documents quand et aussi souvent qu'elle en sera requise.

(3) Aucune personne n'entravera ou n'empêchera, ni ne tentera d'entraver ou d'empêcher une telle enquête ou un tel examen.

(4) Toute personne dont tel examinateur demande la déposition sous serment ou la déclaration concernant les faits dont il est chargé de s'enquérir doit se présenter devant cet examinateur et faire sa déposition en tout temps qu'elle en sera requise.

7. En tout temps où, après une enquête et un examen faits sous l'empire des pouvoirs conférés par les présents règlements, le ministre du Travail est d'avis qu'une infraction des présents règlements a été découverte, ledit ministre remettra au Procureur général de toute province dans laquelle l'infraction a été commise, aux fins de telles poursuites que peut intenter le dit Procureur général en vue des conditions apparentes, des copies authentiques de (*a*) tout rapport ou tous rapports et décrets d'une municipalité quelconque qui peuvent avoir été faits, édictés ou passés sous l'empire des présents règlements et qui sont en la possession du ministre et se rapportent à cette infraction, et (*b*) les dépositions faites à toute telle enquête ou tout tel examen et le rapport de l'examinateur.

8. (1) Nulle poursuite pour une infraction d'une disposition quelconque des présents règlements, ou pour défaut de s'y conformer, ne sera intentée sans l'autorisation écrite du Procureur général de la province où l'infraction est sensée avoir été commise, cette autorisation précisant si la poursuite doit être intentée par voie de mise en accusation ou sous l'empire des dispositions de la partie XV de la Loi criminelle.

(2) Une telle poursuite ne sera intentée que dans le comté ou la municipalité où se trouvaient, à la date de l'infraction, les nécessités de la vie ou quelqu'une de ces nécessités en rapport avec lesquelles l'infraction présumée a été commise, ou dans le comté où la personne accusée réside ou exerce son industrie.

9. (1) Toute personne qui enfreint une disposition quelconque des présents règlements ou néglige de s'y conformer est coupable de délit et, sur conviction sommaire sous l'empire de la partie XV de la Loi criminelle, est passible d'une amende n'excédant pas cinq mille dollars, ou d'emprisonnement pour une période n'excédant pas deux ans, ou des deux peines ainsi que spécifié; et tout directeur ou fonctionnaire d'une compagnie ou corporation quelconque qui consent ou acquiesce à une infraction par telle compagnie ou corporation d'une des prescriptions des présents règlements, ou au défaut de s'y conformer, est coupable personnellement et cumulativement avec sa compagnie ou corporation et avec ses co-directeurs ou les fonctionnaires qui lui sont associés.

(2) Aux fins du procès dans une poursuite pour une infraction des présents règlements s'appliqueront les prescriptions de l'article 581 de la Loi criminelle, qui autorise les procès sommaires sans jury.

ORDERS IN COUNCIL.

[2762]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 8th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th October, 1916, from the Minister of the Interior, submitting that Mr. Addison K. Walker was granted homestead entry for the northwest quarter of Section 36, Township 20, west of the 4th Meridian, on the 29th December, 1902

It has been ascertained that Mr. Walker has performed one term of six months residence upon the land and that he has brought seventy acres under cultivation and has also fenced the said seventy acres ;

Owing to lack of shelter for his stock, of which he owned a large number, Mr. Walker was compelled to move from his homestead to another parcel of land in the vicinity, which he held under grazing lease ;

On this latter place Mr. Walker lived continuously from November, 1903, to April, 1913. He also made substantial improvements upon this latter parcel,—

The Minister therefore recommends—in view of the residence performed and the area cultivated, and taking into consideration the fact that Mr. Walker is a substantial settler—that, in accordance with the provisions of section 76 of the Act, the land be sold to the entrant at the rate of $1.00 per acre, in lieu of further residence duties, this privilege to exhaust Mr. Walker's homestead right.

The Committee submit the same for approval.

Wednesday, the 29th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd November, 1916, from the Minister of the Interior, stating that Frank Nylund, a Russian by birth, made homestead entry in 1911 for the northeast quarter of Section 14, Township 59, Range 20, west of the 4th Meridian ;

Representations having been made that this entrant had deserted his wife and left the country, steps were taken to cancel his entry so that the land might be made available for his wife who has been in continuous residence ;

From a Homestead Inspector's report it appears that Mrs. Nylund has continued to work on the quarter-section and desires to secure the same, but finds that she is unable to secure a certificate of naturalization as a British subject, as required by subsection 3, of section 25, of The Dominion Lands Act,—

The Minister recommends, therefore, that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act for the sale of this land to Mrs. Nylund at the rate of $1 per acre, patent to issue on proof being furnished that the required three years' settlement duties have been completed subsequent to desertion and on land being paid for in full.

The Committee submit the same for approval.

24–2 Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by inadvertence a clause which it had been intended should appear in section 5 of P. C. 2777, of the 10th day of November, 1916, respecting enhancement of the prices of necessaries of life, did not appear in the draft of such order,—

Therefore, His Excellency the Governor General in Council is pleased to order that the said Order in Council of the 10th day of November, 1916 (P.C. 2777), shall be and the same is hereby amended by inserting after the word "Council" where that word for the third time appear in section 5 of said Order in Council, and immediately before the word "precisely" in said section 5, the words

Wednesday, the 29th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th October, 1916, from the Minister of the Interior, stating that Letters Patent were issued on the 20th November, 1907, to the City of Regina, in the province of Saskatchewan, for cemetery purposes only, for a certain parcel or tract of land particularly described in such Letters Patent, and being a portion of the north half of section thirty, in township seventeen, and range nineteen, west of the second principal meridian, in the said province of Saskatchewan, and containing sixty-six and fifty-five hundredths (66·55) acres more or less ;

The Minister further states that in compliance with the request of the City of Regina it was decided, upon the parcel in question being re-vested in the Crown, to issue a new title to the city for the said parcel without any restrictions as to the use to be made of the land,—

The parcel of land in question having been re-vested in the Crown and the title thereto being now in His Majesty King George the Fifth in the right of the Dominion of Canada, the Minister recommends that the decision arrived at be given effect to and that he be authorized to issue Letters Patent for the said parcel of land above referred to, in favour of the said city of Regina, in the province of Saskatchewan, without any restrictions as to the use to be made of the land.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
24–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Wednesday, the 29th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 18th November, 1916, from the Minister of the Interior, stating that application has been received from the Canadian Pacific Railway Company for a parcel of land required for a right of way through a portion of Township 24, Range 8, west of the 5th Meridian in the Rocky Mountains Park, as shown on the plan of the Canadian Pacific Railway Main Line, District of Alberta, on record in the Department of the Interior as Right of Way Plan No. 7480 and registered in the Calgary Land Titles office as Plan No. R.y. 10.

The Minister recommends that under the authority of section 16 of the Forest Reserves and Parks Act he be authorized to issue patent to the Canadian Pacific Railway Company for the above land ; this patent to be subject to the following conditions :—

That it shall be subject to all Dominion Parks Regulations now in force or which may be made from time to time in that behalf by the Governor in Council.

That such land, subject to the use for which it is granted, shall still be part of the reserve within which it is situated ; and if any such land ceases to be used for the purpose for which it was so granted it shall forthwith revert to the Crown.

The Committee concur in the foregoing recomendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 20th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that William Henry Moore was granted homestead entry on the 19th May, 1903, for the southwest quarter of Section 24, Township 21, Range 1, west of the 1st Meridian, in the Province of Manitoba;

It would appear from the evidence submitted that the entrant lived upon this quarter section for six or eight months in each year from 1904 to 1908 inclusive, but he is not able to furnish the dates of commencement and termination of each period of residence, neither is he in a position to obtain witnesses who can furnish the information ;

It has been ascertained that Mr. Moore erected two houses upon this land and that both were destroyed by fire ;

Mr. Moore would also appear to have been the owner of an average of eighteen head of cattle during the time he resided upon the land,—

In view of the foregoing, taking into consideration the fact that apparently the settlement duties called for by the Act have been completed and that the only difficulty in the way of issuing patent is the failure to furnish full details as to the residence performed, the Minister recommends that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, for the sale of the said homestead to Mr. Moore at the rate of $1.00 per acre, in lieu of the performance of further settlement duties, such sale to exhaust his free homestead right.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

Monday, the 20th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that Mr. John Marshall was granted pre-emption entry for the northeast quarter of Section 33, Township 7, Range 10, west of the 3rd Meridian, on the 14th January, 1910 ;

Information has been received that this homesteader performed three terms of residence in connection with his homestead entry, but no residence in connection with the pre-emption entry. The cultivation duties have apparently been completed ;

It has been represented to the Department of the Interior that Mr. Marshall is now in his 86th year and totally incapacitated from further work or residence on the above land, that he requires the care of his immediate relatives as long as he may live and that he will, therefore, be unable to take up further residence on either his pre-emption or homestead,—

The Minister submits copy of medical cerlificate, and recommends, in view of the statements contained therein, that further residence on the part of Mr. Marshall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. Marshall upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled, and that the purchase price has been paid.

The Committee submit the same for approval.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that application has been made to the Department of the Interior by the Western Canadian Ranching Company, Limited, of Cache Creek, British Columbia, to purchase under irrigation conditions 307·9 acres of land, consisting of fractional parcels surrounding the Company's main holdings near Cache creek, in the Railway Belt of British Columbia, all of which they propose to bring under an irrigation system.

The Minister states that the lands applied for have been inspected by officers of the Department of the Interior, who have reported that they are useless for cultivation without irrigation and that the irrigation of same is feasible providing water can be secured for the purpose. The lands are vacant and available.

The Minister, therefore, recommends that the lands enumerated in the attached schedule be sold to the Western Canadian Ranching Company, Limited, on the following conditions :—

(*a*) The land sold to be brought under cultivation by irrigation ;

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding Two dollars ($2,00) per acre and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar ($1.00) per acre within one year from date of the authorization of the sale by the Goyernor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent per annum.

(*c*) The necessary water rights to be secured from the Provincial Government of British Columbia. No work to be done on the land until preliminary water rights are secured from the province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale of and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with the water rights, in which case the Provincial dates may be accepted if approved by the Minister of the Interior.

The Committee concur in the foregoing recommendations and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 24th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th November, 1916, from the Minister of the Interior, stating that Mr. Robert John Wilson obtained pre-emption entry for the North West quarter of Section 9, Township 4, Range 30, West of the 2nd Meridian, on the 2nd August, 1910.

It is represented that Mr. Wilson met with an accident on 31st July, 1914, which resulted in both hands being broken at the wrist, rendering him a cripple for life.

That a medical certificate furnished by Dr. C. S. Knox of Superior, Wisconsin, U.S.A., dated 21st October, 1916, sets out that Mr. Wilson had a collective fracture of both arms and that the resulting union, especially in the right, is such that he could do but very little heavy work of any kind, and that he is not in a condition to carry on farming operations.

Mr. Wilson obtained patent for his homestead on the 18th November, 1914, having completed the ordinary duties, but from the evidence on file he does not appear to have performed any residence duties since. He claims to have had twenty-five acres in crop in 1915.

The Minister recommends, in view of the foregoing, that, under the provisions of sub-section 2 of Section 20 of the Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to Mr. Wilson upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled as to duties and payment.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

Friday, the 24th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th November, 1916, from the Minister of the Interior, submitting that Mr. J. C. Shields, of Kamloops, British Columbia, has applied to the Department of the Interior to purchase under irrigation conditions the lands enumerated in the accompanying schedule, containing approximately an area of 1354·24 acres.

The Minister states that inspections as to the quality of the lands, the engineering features and the feasibility of the project have been made by officers of the Department of the Interior, who have reported that the lands are useless for agriculture without irrigation, that they can be made productive with the aid of water by artificial means and that from an engineering standpoint the project is practicable. The lands are vacant and available for the purpose.

The Minister therefore recommends that the lands enumerated in the accompanying schedule be sold to the applicant on the following terms and conditions :

(*a*) The lands sold to be brought under cultivation by irrigation.

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount no exceeding two dollars per acre ($2.00), and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar ($1.00) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5% per annum.

(*c*) The necessary water rights to be secured from the Provincial Government of British Columbia ; no work to be done on the land until preliminary water rights are secured from the Province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the provincial authorities in connection with the water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior,

(*e*) Examination to be made by engineers of the Department of the Interior on completion of the work.

(*f*) Patent to issue, when conditions completed, for those parcels, the irrigable portions of which have been brought under cultivation by irrigation

(*g*) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.

(*h*) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what

cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitoner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DEVONSHIRE.

[L.S.]

CANADA.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui ces présentes parviendront ou qu'icelles pourront concerner,—Salut :

PROCLAMATION.

E. L. NEWCOMBE, Sous-Ministre de la Justice, Canada. } ATTENDU que l'on Nous a représenté que plusieurs soldats des troupes expéditionnaires canadiennes d'outre-mer se sont absentés de leurs unités sans permission ; que probablement un grand nombre d'entre eux ne connaissaient pas la gravité de cette offense en s'absentant ainsi ; et qu'ils désirent maintenant retourner à leurs unités, mais la crainte d'un châtiment sévère les fait hésiter ; et en outre que des soldats appartenant aux dites troupes qui sont actuellement en prison pour désertion ou absence sans permission, seraient disposés à prendre du service dans les dites troupes s'ils obtenaient leur pardon ou s'ils étaient élargis,—

Sachez donc que c'est Notre Volonté Royale et Notre Plaisir d'ordonner, indiquer, déclarer et proclamer que tous les dits soldats absents de leurs unités sans permission reçoivent et recevront leur pardon pour cette offence, pourvu qu'ils aillent se livrer à l'officier commandant l'unité à laquelle ils appartenaient, si cette unité est encore en Canada, ou si elle ne l'est pas, à l'officier de district commandant tout district militaire en Canada, au plus tard le quinzième jour de décembre, en l'année de Notre Seigneur mil neuf cent seize, dans le but de terminer leur engagement ;

Et Nous ordonnons, indiquons, déclarons et proclamons que ces soldats des dites troupes sous sentence d'emprisonnement ou détenus pour désertion ou absence sans permission, reçoivent et recevront leur pardon pour cette offense et seront libérés de leur prison ou de leur lieu de détention et remis à l'officier commandant l'unité à laquelle ils appartiennent ou à l'officier commandant le district militaire dans lequel ils se trouvent dans le but d'être renvoyés à quelques autres unités des dites troupes expéditionnaires afin de terminer leur engagement.

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance et d'agir en conséquence.

En foi de quoi, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Sceau du Canada. Témoin : Notre Très Fidèle et Très Aimé Cousin et Conseiller, Victor Christian William, Duc de Devonshire, Marquis d'Hartington, Comte de Devonshire, Comte de Burlington, Baron Cavendish de Hardwicke, Baron Cavendish de Keighley, Chevalier de Notre Très Noble Ordre de la Jarretière ; Membre de Notre Très Honorable Conseil Privé ; Chevalier Grand Croix de Notre Ordre Très Distingué de Saint-Michel et de Saint-Georges ; Chevalier Grand Croix de Notre Ordre Royal de Victoria, Gouverneur général et Commandant-en-chef de Notre Dominion du Canada.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 23 novembre 1916, représentant que Frank Nylund, russe de naissance, a obtenu, en 1911, l'inscription de homestead du quart nord-est de la section 14, township 59, rang 20, à l'ouest du 4e méridien ;

Sur représentation que cet inscrit a abandonné sa femme et quitté le pays, des mesures ont été prises pour annuler son inscription afin que le terrain en question soit disponible pour sa femme qui y a continuellement résidé ;

Il ressort du rapport d'un inspecteur de homestead que madame Nylund a continué à travailler sur ce quart de section et désire en obtenir la possession mais trouve impossible d'obtenir un certificat de naturalisation de sujet britannique ainsi que prescrit au paragraphe 3 de l'article 25 de la Loi des terres fédérales,—

Par conséquent le Ministre recommande qu'il soit autorisé sous l'empire du paragraphe (L) de l'article 76 de la *Loi des terres fédérales* de vendre le terrain susdit à madame Nylund au prix de $1 l'acre, et que patente dudit terrain soit délivrée à la requérante sur preuve fournie de la manière ordinaire que les obligations d'établissement pour les trois années réglementaires ont été complétées depuis la date de la désertion de son mari et que le prix total du terrain a été payé.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 octobre 1916, représentant que le 20 novembre 1907 ont été délivrées à la ville de Régina, dans la province de la Saskatchewan, des lettres patentes pour des fins de cimetière seulement, pour un certain terrain ou lopin de terre particulièrement décrit dans lesdites lettres patentes et qui fait partie de la moitié nord de la section 30, du township 17, rang 19, à l'ouest du 2e méridien principal, dans ladite province de la Saskatchewan et comprenant soixante-six et cinquante-cinq centièmes (66·55) acres plus ou moins ;

Le Ministre ajoute qu'afin de se rendre à la demande de la ville de Régina, il a été décidé, sur la rétrocession à la Couronne du terrain en question, de céder à la ville un nouveau titre audit terrain sans aucune restriction quant à l'usage quelle pourra faire dudit terrain,—

Vu que le terrain en question a été rétrocédé à la Couronne et que le titre en est maintenant au nom de Sa Majesté le Roi George V pour le Dominion du Canada, le Ministre recommande que ladite décision soit mise à exécution et qu'il soit autorisé de délivrer à ladite ville de Régina, dans la province de la Saskatchewan des lettres patentes pour ledit terrain sans aucune restriction quant à l'usage que la ville peut faire dudit terrain.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 18 novembre 1916, représentant que la compagnie du chemin de fer Canadien du Pacifique a demandé la concession d'une emprise sur une partie du township 24, rang 8, à l'ouest du 5e méridien, dans le parc des Montagnes Rocheuses, tel qu'indiqué sur un tracé de la ligne principale du chemin de fer Canadien du Pacifique, district d'Alberta, déposé au Ministère de l'Intérieur sur le tracé de la voie numéro 7480, et enregistré au bureau des titres des terres de Calgary sous le numéro Ry. 10.

Le ministre recommande qu'en vertu de l'autorité conférée par l'article 16 de la Loi des réserves forestières et des parcs, il soit autorisé de délivrer à la compagnie de chemin de fer Canadien du Pacifique une patente dudit terrain, la dite patente devant être sujette aux conditions suivantes :

Ladite patente est sujette à tous les règlements concernant les parcs fédéraux qui sont actuellement en vigueur ou qui seront de temps à autres passés à ces fins par le Gouverneur en conseil.

Ledit terrain excepté quant aux fins pour lesquelles il est concédé continue à faire partie de la réserve dans laquelle il se trouve situé ; et si une partie quelconque dudit terrain cesse d'être utilisée pour les fins de la présente concession, il redevient immédiatement propriété de la Couronne.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 octobre 1916, représentant que le 29 décembre 1902, M. Addison K. Walker a obtenu l'inscription de homestead du quart nord-ouest de la section 36, township 20, à l'ouest du 4e méridien ;

Il a été établi que M. Walker a accompli un terme de six mois de résidence sur ce terrain, et y a clôturé et mis en culture 70 acres ;

Manquant d'abri pour son troupeau, qui était très nombreux, M. Walker fut forcé de quitter son homestead pour un autre terrain avoisinant qu'il détenait sous bail à pâturage ;

M. Walker résida sur ce dernier terrain sans interruption de novembre 1903 à avril 1913, et y fit des améliorations importantes,—

Le Ministre recommande, par conséquent, que vu la résidence accomplie par M. Walker, la superficie qu'il y a mis en culture et le fait qu'il est un colon important, le terrain soit, conformément à l'article 76 de la Loi, vendu à cet inscrit au prix de $1 l'acre, que M. Walker soit relevé de toute autre obligation de résidence, ce privilège complétant l'accomplissement des obligations et lui donnant droit à son homestead.

Le comité soumet cette recommandation pour approbation.

Attendu que la commission des champs de bataille nationaux a, le 19 octobre 1914, adopté des réglements que le Gouverneur général en conseil, sous l'empire de la loi, a sanctionnés le 10e jour de mars 1915 et qui ont eté publiés dans la Gazette du Canada le 1er mai 1915;

Une clause E est ajoutée au paragraphe 2 desuits règlements dans les termes suivants :

(*e*) Le conducteur ou le chauffeur d'une voiture automobile quelconque ne doit employer dans le parc d'aucune lanterne d'avant à l'acétylène, électrique ou autre, à moins de mettre la lumière assez basse pour ne pas éblouir ou aveugler un autre conducteur ou chauffeur d'une voiture automobile ou tout piéton circulant sur les chemins ou dans les avenues du dit parc ou ne pas rendre en aucune façon dangereux ou difficile à tel conducteur, chauffeur ou piéton de conduire sa monture ou sa voisure ou se promener dans le dit parc, et tout conducteur ou chauffeur doit se conformer immédiatement aux ordres que lui donne à cet égard le surintendant, gardien ou constable en service dans le dit parc.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 novembre 1916, représentant que le 22 août 1916, M. Robert John Wilson a obtenu l'inscription de préemption du quart nord-ouest de la section 9, township 4, rang 30, à l'ouest du 2e méridien ;

Il a été représenté que le 31 juillet 1914, M. Wilson a été victime d'un accident dans lequel il eut les deux poignets fracturés, ce qui le prive de l'usage de ses mains et le rend infirme pour la vie ;

Un certificat médical du docteur C. S. Knox de Superior Wisconsin, E.U.A., en date du 21 octobre 1916, certifie que M. Wilson a subi une fracture collective des deux bras et que la réduction, surtout celle du bras droit, est telle qu'il se trouve dans l'impossibilité de faire un dur travail et de poursuivre les opérations de la ferme.

M. Wilson a obtenu une patente pour son homestead le 18 novembre 1914 après avoir rempli les obligations ordinaires mais d'après la preuve déposée il n'appert pas qu'il a rempli depuis aucune autre obligation de résidence.

Il prétend qu'en 1915 il avait 25 acres en culture.

A ces causes le Ministre recommande sous l'empire du paragraphe 2 de l'article 20 de la Loi de 1908 des terres fédérales de relever le dit inscrit de toute autre obligation de résidence, afin qu'une patente soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies en ce qui concerne les obligations et les redevances.

Le comité agrée cette recommandation et la soumet pour approbation.

ATTENDU que le chapitre 47 des statuts revisés de 1906, *Loi à l'effet de protéger les douanes et les pêcheries*, prescrit que le Gouverneur en conseil peut, à toute époque, autoriser la délivrance de permis aux navires de pêche des Etats-Unis, les autorisant à entrer dans tout port du Canada sur les côtes de l'Atlantique, durant les périodes de temps mentionnées dans ces permis pour les fins d'acheter les appâts, la glace, les seines, lignes et tous autres approvisionnements et fournitures, et de transborder le produit de leur pêche et d'engager des équipages ; et

Attendu que l'autorisation de délivrer ces permis a été accordée tous les ans depuis 1888, et que le Ministre du Service Naval est d'avis qu'il est opportun de continuer d'accorder ces privilèges pour l'année 1917 comme par les années passées, à des navires qui n'emploient d'autre énergie motrice que des voiles ;

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil d'autoriser la délivrance aux navires de pêche des Etats-Unis qui y ont droit, pour la durée de l'année 1917, de permis dans les termes de la formule ci-annexée pour les fins prévues dans la dite loi, à savoir :—

(*a*) d'acheter les appâts, la glace, les seines, lignes, et tous autres approvisionnements et fournitures ; et

ATTENDU que par un arrêté en conseil du 24 octobre 1912, la compagnie dite " The Ashcroft Water Electric and Improvement Co., Limited," d'Ashcroft, C.-B., fut autorisée d'acheter, aux conditions de vente des terres vendues pour l'irrigation, les terrains mentionnés dans l'annexe au dit arrêté en conseil, et

Attendu qu'entre autres conditions, il fut stipulé que la compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaires à l'irrigation des dits terrains ; et que la compagnie construira dans un délai de trois ans un système d'irrigation adéquat et satisfaisant et cultivera 50% des parties irrigables des dits terrains, et que toutes autres parties irrigables des dits terrains seront irriguées et mises en culture dans un délai de cinq ans, etc., et

Attendu que la compagnie a représenté qu'il a surgi certaines complications dans les négociations pour l'obtention des autorités provinciales des droits à l'eau lesquelles l'ont forcée de retarder le commencement des travaux d'irrigation ; et

Attendu que la dite compagnie représente de plus qu'elle compte qu'une extension de l'autorisation qui lui a été accordée par le dit arrêté en conseil lui permettra d'obtenir les droits à l'eau nécessaires ; et

Attendu que la compagnie a fait le premier versement sur le prix exigé par ledit arrêté en conseil ,—

En conséquence il plaît à Son Excellence l'Administrateur en conseil de décréter par les présentes ce qui suit :

La période limitée pour l'obtention des droits à l'eau et pour la construction d'un système d'irrigation adéquat et satisfaisant pour les terrains mentionnés dans l'annexe au dit arrêté en conseil du 24 octobre 1912, et la période pour l'irrigation et la mise en culture des parties irrigables des dits terrains est par les présentes prolongée pour trois ans à compter de cette date :

Les dispositifs du dit arrêté en conseil du 24 octobre 1912, resteront en tout autre point en pleine vigueur. L'emploi, la diversion et l'emmagasinage de l'eau, la construction et l'entretien de tous les travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être en conformité aux dispositions de la loi de 1914 de la Colombie-Britannique concernant l'eau, et ses modifications.

Il a été représenté que le dit inscrit a fait trois termes de résidence en satisfaction de son inscription de homestead mais ne s'est pas conformé à ses obligations de résidence relativement à son inscription de préemption. Il appert que les obligations de culture ont été remplies ;

Il a été représenté au Département de l'Intérieur que M. Marshall est âgé maintenant de 86 ans et désormais tout à fait incapable de travailler et de remplir ses obligations de résidence sur le dit terrain ; qu'il lui faut les soins de sa famille pour le reste de ses jours et que, par conséquent, il lui est impossible de remplir aucune autre obligation de résidence en satisfaction soit de sa préemption soit de son homestead,—

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, de Cache Creek, Colombie-Britannique, a fait la demande au Département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, 307.9 acres de terrain consistant en lopins fractionnaires entourant la propriété principale de la compagnie près de Cache Creek, dans la zone des chemins de fer de la Colombie-Britannique, l'intention de la compagnie étant d'établir sur le tout un système d'irrigation.

Le Ministre représente qu'après inspection les fonctionnaires du département de l'Intérieur ont fait rapport que sans irrigation les dits terrains sont impropres à l'agriculture et que l'irrigation en est possible pourvu qu'on puisse se procurer l'eau nécessaire à cette fin.

Par conséquent, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, aux conditions suivantes :

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars ($2) l'acre, et le montant ainsi déduit sera considéré un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit : Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de la dite autorisation ou avant l'expiration des dites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à cinq pour cent par année.

(*c*) Les droits d'eau nécessaires doivent être obtenus du gouvernement provincial de la Colombie-Britannique, et il ne doit se faire aucuns travaux sur les dits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auxquels cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen de l'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix d'achat ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente, les dites terres, ou tous droits en rapport avec icelles, ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9e jour de novembre 1916, représentant que le 3 juillet 1914, Alfred H. Breach a obtenu l'inscription de homestead et de préemption du quart sud-est de la section 27 ainsi que du quart nord-est de la section 22 respectivement, dans le township 22, rang 7, à l'ouest du 4e méridien.

Les certaines preuves déposées semblent établir que M. Breach a pu accomplir un terme de résidence.

Le Ministre soumet la copie annexée d'un certificat du docteur Arthur L. Lynch, établissant que M. Breach est désormais incapable de remplir ses obligations de homestead.

Dans ces circonstances, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 19 mai 1903, William Henry Moore a obtenu une inscription de homestead pour le quart sud-ouest de la section 24, township 21, rang 1, à l'ouest du 1er méridien, dans la province de Manitoba ;

Il appert de la preuve déposée que l'inscrit a résidé sur ce quart de section pendant six ou huit mois chaque année de 1904 à 1908, inclusivement, mais il lui est impossible de donner les dates du commencement et de la fin de chacune des périodes de sa résidence, et il lui est aussi impossible de trouver des témoins qui pourraient fournir ces renseignements ;

Il a été constaté que M. Moore a construit deux maisons sur le dit terrain et que toutes deux ont été détruites par le feu ;

Il appert aussi que M. Moore, aux époques de sa résidence sur le dit terrain, a été propriétaire de dix-huit têtes de bétail en moyenne,—

A ces causes, prenant en considération le fait que, apparemment, les obligations d'établissement prescrites par la loi ont été remplies et que le seul obstacle à l'émission d'une patente est l'impossibilité de fournir tous les détails concernant la résidence, le Ministre recommande qu'il soit autorisé, sous l'empire du paragraphe (*l*) de l'article 76 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, de vendre le dit homestead à M. Moore à raison de $1 l'acre, en lieu et place de toutes autres obligations de résidence, la dite vente devant être une forclusion des droits du dit M. Moore à un homestead gratuit.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

Vendredi, le 24e jour de novembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 novembre 1916, représentant que M. J. C. Shields de Kamloops, Colombie-Britannique, a fait la demande au département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, les terrains énumérés dans l'annexe aux présentes et contenant approximativement une superficie de 1354·24 acres.

Le Ministre représente qu'après inspection pour déterminer la valeur des dites terres, les travaux à faire et la praticabilité du projet, les fonctionnaires du Département de l'Intérieur ont fait rapport que les dites terres sont impropres à la culture sans irrigation, qu'on peut les rendre productives en y conduisant de l'eau par des moyens artificiels et qu'au point de vue du génie les travaux sont praticables. Les dits terrains sont vacants et disponibles à ces fins.

A ces causes, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à M. Shields aux termes et conditions qui suivent :—

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars l'acre ($2), et le montant ainsi déduit sera considéré comme un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit :

Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de ladite autorisation ou avant l'expiration desdites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à 5% par année.

(*c*) Les droits d'eau nécessaire doivent être obtenus du gouvernement provincial de la Colombie-Britannique et il ne doit se faire aucuns travaux sur lesdits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auquel cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du Département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen d'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente les dites terres ou tout droit en rapport avec icelles ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

ATTENDU que le paragraphe 3 de l'article 2 de la *Loi minière du Yukon* prescrit que " nonobstant " toute disposition de ladite loi, ses dispositions ne " s'appliquent pas aux terres aliénées ou louées pour " des fins minières par l'hydraulique par un bail con- " senti avant le 1er jour d'août 1916, qui a été ci-devant " annulé ou qui peut l'être ci-après par ordre du Mi- " nistre de l'Intérieur ou sous l'autorité d'un arrêté du " Gouverneur en conseil tant que ces terres n'ont pas " été assujéties à ces dispositions par arrêté du Gouver- " neur en conseil."

Et attendu que le bail minier hydraulique n° 47 a été délivré le 30 août 1905 pour une période de 21 ans, à dater du 21e jour de mars 1905 à William Charles Thompson de Dawson pour un lopin de terre situé sur la ravine Dublin, un embranchement du Creek Haggart, un affluent de la rivière McQuesten, dans le Territoire du Yukon, mesurant 3.21 milles de front le long de ladite ravine Dublin sur une profondeur de ½ mille de chaque côté de ladite ravine lequel bail fut transporté à la compagnie dite " Dublin Hydraulics," à responsabilité limitée, le 29e jour de juillet 1911 ;

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa a qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploïtation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situ s ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra l'déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

WHEREAS application has been made by Mr. Charles Paquette, of Hudson's Hope, in the Province of British Columbia, for a free grant of that portion of the N.W. $\frac{1}{4}$ of Section 18, Township 81, Range 25, west of the Sixth Meridian, lying west of Peace River, in the Peace River Block, in the said Province of Britsh Columbia, by virtue of occupation of the land at the date of the extinguishment of the Indian Title.

Therefore His Excellency the Governor General, is pleased, under the provisions of section 76 of The Dominion Lands Act, to authorize a free grant to the applicant of the land in question which may be more particularly described as follows :—

All that portion of the N. W. $\frac{1}{4}$ of section 18 of the said township which is not included within the limits of Lot 420 and which lies to the west of the left bank of Peace River, as shown upon a map or plan of survey of Sections 18 and 19 in the said township, approved and confirmed at Ottawa on the 7th day of March, A.D., 1916, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, and containing by admeasurement thirty one and twenty hundredths acres more or less.

PRESENT :

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 7th November, 1916, from the Minister of the Interior, submitting that an application has been made by Mr. Oliver Ghostkeeper, of Grouard, of the Province of Alberta, for a free grant of Lot numbered 108 of the Big Prairie Settlement, of the said Province of Alberta, containing by admeasurement 68·5 acres more or less, by virtue of occupation of the land at the date of the extinguishment of the Indian Title.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 15th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th November, 1916, from the Minister of the Interior, reporting that on the 3rd July, 1914, Alfred H. Breach made homestead and pre-emption entries for the south-east quarter of Section 27, and the north-east quarter of Section 22, respectively, in Township 22, Range 7, west of the 4th Meridian.

It would appear from the evidence furnished that Mr. Breach may have put in one term of residence duties.

The Minister submits the annexed copy of a Certificate from Arthur L. Lynch, M.D., stating that Mr. Breach will never be able to do further homestead duties.

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in this case, under the authority of subsection 2 of Section 20 of the Act, so that patents may be issued to Mr. Breach for the two quarter-sections above described, upon proof being furnished in the ordinary way that the other conditions of the law as to duties and payment have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
22-4 Clerk of the Privy Council.

[2877]

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 20th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that William Henry Moore was granted homestead entry on the 19th May, 1903, for the southwest quarter of Section 24, Township 21, Range 1, west of the 1st Meridian, in the Province of Manitoba;

It would appear from the evidence submitted that the entrant lived upon this quarter section for six or eight months in each year from 1904 to 1908 inclusive, but he is not able to furnish the dates of commencement and termination of each period of residence, neither is he in a position to obtain witnesses who can furnish the information ;

It has been ascertained that Mr. Moore erected two houses upon this land and that both were destroyed by fire ;

Mr. Moore would also appear to have been the owner of an average of eighteen head of cattle during the time he resided upon the land,—

In view of the foregoing, taking into consideration the fact that apparently the settlement duties called for by the Act have been completed and that the only difficulty in the way of issuing patent is the failure to furnish full details as to the residence performed, the Minister recommends that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, for the sale of the said homestead to Mr. Moore at the rate of $1.00 per acre, in lieu of the performance of further settlement duties, such sale to exhaust his free homestead right.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Monday, the 20th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that Mr. John Marshall was granted pre-emption entry for the northeast quarter of Section 33, Township 7, Range 10, west of the 3rd Meridian, on the 14th January, 1910 ;

Information has been received that this homesteader performed three terms of residence in connection with his homestead entry, but no residence in connection with the pre-emption entry. The cultivation duties have apparently been completed ;

It has been represented to the Department of the Interior that Mr. Marshall is now in his 86th year and totally incapacitated from further work or residence on the above land, that he requires the care of his immediate relatives as long as he may live and that he will, therefore, be unable to take up further residence on either his pre-emption or homestead,—

The Minister submits copy of medical cerlificate, and recommends, in view of the statements contained therein, that further residence on the part of Mr. Marshall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. Marshall upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled, and that the purchase price has been paid.

The Committee submit the same for approval.

Clerk of the Privy Council.

Friday, the 24th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that application has been made to the Department of the Interior by the Western Canadian Ranching Company, Limited, of Cache Creek, British Columbia, to purchase under irrigation conditions 307·9 acres of land, consisting of fractional parcels surrounding the Company's main holdings near Cache creek, in the Railway Belt of British Columbia, all of which they propose to bring under an irrigation system.

The Minister states that the lands applied for have been inspected by officers of the Department of the Interior, who have reported that they are useless for cultivation without irrigation and that the irrigation of same is feasible providing water can be secured for the purpose. The lands are vacant and available.

The Minister, therefore, recommends that the lands enumerated in the attached schedule be sold to the Western Canadian Ranching Company, Limited, on the following conditions :—

(*a*) The land sold to be brought under cultivation by irrigation ;

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding Two dollars ($2,00) per acre and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar ($1.00) per acre within one year from date of the authorization of the sale by the Goyernor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent per annum.

(*c*) The necessary water rights to be secured from the Provincial Government of British Columbia. No work to be done on the land until preliminary water rights are secured from the province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale of and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with the water rights, in which case the Provincial dates may be accepted if approved by the Minister of the Interior.

(*e*) Examination to be made by engineers of the Department of the Interior on completion of the work.

(*f*) Patent to issue, when the conditions completed, for those parcels the irrigable portion of which have been brought under cultivation by irrigation.

(*g*) The sale to be cancellable for non-payment of the purchase price or for failure to comply with any of the conditions of sale.

(*h*) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendations and submit the same for approval.

Clerk of the Privy Council.

Friday, the 24th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th November, 1916, from the Minister of the Interior, stating that Mr. Robert John Wilson obtained pre-emption entry for the North West quarter of Section 9, Township 4, Range 30, West of the 2nd Meridian, on the 2nd August, 1910.

It is represented that Mr. Wilson met with an accident on 31st July, 1914, which resulted in both hands being broken at the wrist, rendering him a cripple for life.

That a medical certificate furnished by Dr. C. S. Knox of Superior, Wisconsin, U.S.A., dated 21st October, 1916, sets out that Mr. Wilson had a collective fracture of both arms and that the resulting union, especially in the right, is such that he could do but very little heavy work of any kind, and that he is not in a condition to carry on farming operations.

Mr. Wilson obtained patent for his homestead on the 18th November, 1914, having completed the ordinary duties, but from the evidence on file he does not appear to have performed any residence duties since. He claims to have had twenty-five acres in crop in 1915.

The Minister recommends, in view of the foregoing, that, under the provisions of sub-section 2 of Section 20 of the Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to Mr. Wilson upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled as to duties and payment.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

Friday, the 24th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th November, 1916, from the Minister of the Interior, submitting that Mr. J. C. Shields, of Kamloops, British Columbia, has applied to the Department of the Interior to purchase under irrigation conditions the lands enumerated in the accompanying schedule, containing approximately an area of 1354·24 acres.

The Minister states that inspections as to the quality of the lands, the engineering features and the feasibility of the project have been made by officers of the Department of the Interior, who have reported that the lands are useless for agriculture without irrigation, that they can be made productive with the aid of water by artificial means and that from an engineering standpoint the project is practicable. The lands are vacant and available for the purpose.

The Minister therefore recommends that the lands enumerated in the accompanying schedule be sold to the applicant on the following terms and conditions :

(*a*) The lands sold to be brought under cultivation by irrigation.

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount no exceeding two dollars per acre ($2.00), and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar ($1.00) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5% per annum.

(*c*) The necessary water rights to be secured from the Provincial Government of British Columbia ; no work to be done on the land until preliminary water rights are secured from the Province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the provincial authorities in connection with the water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior,

(*e*) Examination to be made by engineers of the Department of the Interior on completion of the work.

(*f*) Patent to issue, when conditions completed, for those parcels, the irrigable portions of which have been brought under cultivation by irrigation

(*g*) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.

(*h*) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

Wednesday, the 29th day of November, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd November, 1916, from the Minister of the Interior, stating that Frank Nylund, a Russian by birth, made homestead entry in 1911 for the northeast quarter of Section 14, Township 59, Range 20, west of the 4th Meridian ;

Representations having been made that this entrant had deserted his wife and left the country, steps were taken to cancel his entry so that the land might be made available for his wife who has been in continuous residence ;

From a Homestead Inspector's report it appears that Mrs. Nylund has continued to work on the quarter-section and desires to secure the same, but finds that she is unable to secure a certificate of naturalization as a British subject, as required by subsection 3, of section 25, of The Dominion Lands Act,—

The Minister recommends, therefore, that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act for the sale of this land to Mrs. Nylund at the rate of $1 per acre, patent to issue on proof being furnished that the required three years' settlement duties have been completed subsequent to desertion and on land being paid for in full.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 4th day of December, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th November, 1916, from the Minister of the Interior, submitting as follows:—

That by chapter 22 of the statutes of the Province of Manitoba for 1913, hereinafter referred to as the Act of Incorporation, the inhabitants of the cities of Winnipeg and St. Boniface, of the town of Transcona, and of certain adjoining rural municipalities as specified and defined in that Act, all in that province, were made and declared to be a body politic and corporate under the name of the "Greater Winnipeg Water District" hereinafter referred to as the corporation. The short title of the Act of Incorporation is the "Greater Water Power District Act," and it has been amended by the following statutes of the Province of Manitoba: Chapters 46, 47 and 48 for 1914; chapters 29 and 30 for 1915, and by chapter 51 for 1916;

That by chapter 208 of the Dominion Statutes of 1913, certain privileges and powers were granted to the Corporation, namely: power to get and to take water including water from sources outside of the province of Manitoba; the erection and maintenance of all necessary works; the entrance upon all lands necessary for survey and other purposes in connection with such works; the purchase and occupation of necessary lands; the building of roads, tunnels and bridges, of telegraph, telephone and electric lines, and of all other necessary works and buildings; the diversion and alteration of any of such works or lines, or of streams and highways; and the doing of all other acts necessary for the construction, maintenance and operation of any work required for the purposes of the corporation; the preparation, submission, filing and inspection of maps, books of reference and plans shewing the works or parts of them; and the application for the purposes of the Committee of certain provisions of the Railway Act and of the "Act relating to the establishment and expenses of the International Joint Commission under the waterways Treaty of January the eleventh, nineteen hundred and nine, and to the said Treaty";

That the objects or purposes of the corporation are stated in section 5 of the Act of Incorporation, that section being as follows:—

"5. The objects of the corporation shall be the supplying of water from any permanent source, whether within or without the province, for the use of the inhabitants of the said district for all purposes. It shall be within the corporate authority of the corporation to extend its operation and exercise its powers, with said object, outside of the limits of this province, subject to its obtaining any legal rights that may be required therefor from the Dominion of Canada or any authority besides this province".

That to furnish the supply of water referred to, it became necessary to construct an aqueduct from Shoal Lake, a part of the Lake of the Woods, to the city of Winnipeg, a distance of 100 miles, approximately, and it also became necessary in connection with that work, and to secure the success of the purposes of the corporation, as set out in section 5 hereinbefore quoted, to build the railway referred to in section 1 of chapter 47, one of the amending Acts before mentioned;

That when this railway, which is now nearing completion, has been completed, a large tract of country which is now nearly altogether unsettled, and which was not suitable for settlement for agricultural purposes because of its remoteness from existing railways, will be opened to settlement mainly for agricultural purposes;

That the Mayor of the City of Winnipeg, who is the Chairman of the Administration Board provided for in the Act of Incorporation, has submitted, as such chairman, to the Minister, a scheme for the placing upon lands, adjacent to the railway now nearing completion between the city of Winnipeg and the Lake of the Woods, of settlers to be selected by the Land Settlement Committee of the Corporation from persons who have some experience in farming, and has applied for a reservation of the vacant and available Dominion lands within the following tract: the north half of township 7 and the whole of township 8 in range 13; the whole of township 7 and south half of township 8 in range 14; the north half of township 7 and south half of township 8 in range 15; all east of the principal meridian;

That the Chairman states that the Administration Board has been assured of the active assistance of the Government of the Province of Manitoba in the matter of making necessary local improvements, establishing schools and in promoting settlement generally within the tract above described;

That it is further represented that a Committee of the citizens of the City of Winnipeg comprising men experienced in the class of settlement intended, are cooperating in the plan, and have appointed an experienced man to take special charge of the work;

That the Chairman of the Administration Board has asked that, in connection with the settlement of the tract before referred to, certain concessions be granted as set forth below.

The Minister is of the opinion that the public interests would be served by giving effect to these requests, and he therefore recommends that, under the provisions of paragraph (*k*) of section 76 of the Dominion Lands Act of 1908, authority be granted for the carrying into effect of such concessions, that is to say:—

1. That the reservation of all vacant and available lands within the tract before described, be approved and confirmed, the Minister of the Interior to have power to vary the boundaries of the said reservation, as may appear to him to be advisable; and also to have power to cancel the reservation at any time after twelve months notice has been given in the *Canada Gazette* and in the *Manitoba Gazette*.
2. That within the tract so reserved no entries shall be granted or sales made except to persons who have been approved of by the Land Settlement Committee hereinbefore referred to.
3. That in respect of entries granted to such approved persons, the existing provisions of the said Act and regulations shall apply in so far as the same may be applicable, except as hereinafter set forth.
4. That the Land Settlement Committee be permitted to decide in what manner the holdings shall be subdivided and allotted, subject to the approval of the Minister of the Interior.
5. That the cultivation required in each case be approximately twenty per cent of the area of the land held under entry, a suitable reduction to be made if the Minister of the Interior is satisfied that such land is too difficult to break.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, submitting that Mr. Gustav Julseth obtained homestead and pre-emption entries for the west half of section 7, township 32, range 2, west of the 4th meridian, on the 4th December, 1911, and that after performing about twelve months' residence, he developed tubercular trouble and has since returned to his native country, Norway, where he has been undergoing medical treatment ever since the year 1913. In support of the foregoing, the Department of the Interior has been furnished with reliable medical testimony, according to which authority there is no likelihood of Mr. Julseth ever recovering his health or being in a position to return to Canada with a view to completing the residence duties. With reference to the other conditions of the entries, Mr. Julseth has a brother farming in the vicinity who has undertaken to complete the necessary improvements and according to evidence submitted in this connection, a house valued at $100 has been erected and a total area of 175 acres has been brought under cultivation on the half section.

The Minister therefore recommends that the performance of further residence duties be waived under the provisions of section 20, s s. 3, of The Dominion Lands Act of 1908, and that patents issue for the half section on proof being furnished in the ordinary way that the other conditions of the entries have been completed and the preemption paid for as provided by the Act.

The Committee concur in the foregoing recommendation and submit the same for approval.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what

cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitoner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le paragraphe 3 de l'article 2 de la *Loi minière du Yukon* prescrit que " nonobstant " toute disposition de ladite loi, ses dispositions ne " s'appliquent pas aux terres aliénées ou louées pour " des fins minières par l'hydraulique par un bail consenti avant le 1er jour d'août 1916, qui a été ci-devant " annulé ou qui peut l'être ci-après par ordre du Ministre de l'Intérieur ou sous l'autorité d'un arrêté du " Gouverneur en conseil tant que ces terres n'ont pas " été assujéties à ces dispositions par arrêté du Gouverneur en conseil."

Et attendu que le bail minier hydraulique n° 47 a été délivré le 30 août 1905 pour une période de 21 ans, à dater du 21e jour de mars 1905 à William Charles Thompson de Dawson pour un lopin de terre situé sur la ravine Dublin, un embranchement du Creek Haggart, un affluent de la rivière McQuesten, dans le Ter-

ritoire du Yukon, mesurant 3.21 milles de front le long de ladite ravine Dublin sur une profondeur de ½ mille de chaque côté de ladite ravine lequel bail fut transporté à la compagnie dite "Dublin Hydraulics," à responsabilité limitée, le 29e jour de juillet 1911 ;

Et attendu que le bail n° 47 susmentionné a été rescindé par un décret du Ministre de l'Intérieur en date du 26e jour d'octobre 1915 parce que les preneurs avaient négligé de se conformer aux conditions du bail et aux règlements en vertu desquels ledit bail avait été accordé,—

A ces causes, il plaît à Son Excellence le Gouverneur en conseil de décréter par les présentes qu'à midi précis le lundi, 5e jour de février 1917, la partie disponible et inaliénée de la concession minière hydraulique décrite dans le bail n° 47 accordé à William Charles Thompson le 30e jour d'août 1905, devienne sujette aux dispositifs de la *Loi minière du Yukon*, en vertu du paragraphe 3 de l'article 2 de ladite loi plus haut citée.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 23 novembre 1916, représentant que Frank Nylund, russe de naissance, a obtenu, en 1911, l'inscription de homestead du quart nord-est de la section 14, township 59, rang 20, à l'ouest du 4e méridien ;

Sur représentation que cet inscrit a abandonné sa femme et quitté le pays, des mesures ont été prises pour annuler son inscription afin que le terrain en question soit disponible pour sa femme qui y a continuellement résidé ;

Il ressort du rapport d'un inspecteur de homestead que madame Nylund a continué à travailler sur ce quart de section et désire en obtenir la possession mais trouve impossible d'obtenir un certificat de naturalisation de sujet britannique ainsi que prescrit au paragraphe 3 de l'article 25 de la Loi des terres fédérales,—

Par conséquent le Ministre recommande qu'il soit autorisé sous l'empire du paragraphe (L) de l'article 76 de la *Loi des terres fédérales* de vendre le terrain susdit à madame Nylund au prix de $1 l'acre, et que patente dudit terrain soit délivrée à la requérante sur preuve fournie de la manière ordinaire que les obligations d'établissement pour les trois années réglementaires ont été complétées depuis la date de la désertion de son mari et que le prix total du terrain a été payé.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 novembre 1916, représentant que le 22 août 1916, M. Rober John Wilson a obtenu l'inscription de préemption du quart nord-ouest de la section 9, township 4, rang 30, à l'ouest du 2e méridien ;

Il a été représenté que le 31 juillet 1914, M. Wilson a été victime d'un accident dans lequel il eut les deux poignets fracturés, ce qui le prive de l'usage de ses mains et le rend infirme pour la vie ;

Un certificat médical du docteur C. S. Knox de Superior Wisconsin, E.U.A., en date du 21 octobre 1916, certifie que M. Wilson a subi une fracture collective des deux bras et que la réduction, surtout celle du bras droit, est telle qu'il se trouve dans l'impossibilité de faire un dur travail et de poursuivre les opérations de la ferme.

M. Wilson a obtenu une patente pour son homestead le 18 novembre 1914 après avoir rempli les obligations ordinaires mais d'après la preuve déposée il n'appert pas qu'il a rempli depuis aucune autre obligation de résidence.

Il prétend qu'en 1915 il avait 25 acres en culture.

A ces causes le Ministre recommande sous l'empire du paragraphe 2 de l'article 20 de la Loi de 1908 des terres fédérales de relever le dit inscrit de toute autre obligation de résidence, afin qu'une patente soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies en ce qui concerne les obligations et les redevances.

Et attendu que ledit règlement, (dont une copie est ci-annexée,) a été passé dans le but de régler l'emploi de lumières sur les voitures automobiles dans le parc des champs de bataille nationaux ;

COMMISSION DES CHAMPS DE BATAILLE NATIONAUX.

Règlements concernant le parc des champs de bataille nationaux.

Attendu que les statuts du Canada, aux chapitres 57 et 58 de 7 et 8 Edouard VII, au chapitre 42 de 9-10 Edouard VII, au chapitre V de 1-2 George V et au chapitre 46 de 4-5 George V autorise la Commission des champs de bataille nationaux à établir un parc ou une place publique sur les terres et a établir des règlements pour la direction, la conduite et la gestion de ses biens immobiliers et mobiliers, ainsi que pour le maintien, la préservation et la protection de ses terres, améliorations et toute autre propriété appartenant à la commission ou sous sa juridiction, sa direction ou son soin ainsi que régler l'admission du public dans le dit parc et prévenir tout dommage à la propriété de la commission et tout empiétement sur icelle ;

Attendu que la commission des champs de bataille nationaux a, le 19 octobre 1914, adopté des réglements que le Gouverneur général en conseil, sous l'empire de la loi, a sanctionnés le 10e jour de mars 1915 et qui ont eté publiés dans la Gazette du Canada le 1er mai 1915;

Attendu qu'il est opportun d'ajouter aux dits règlements certaines dispositions concernant les voitures automobiles circulant dans le dit part ;

A ces causes, la commission des champs de bataille nationaux a décrété et par les présentes décrète et promulgue ce qui suit, savoir :

Une clause E est ajoutée au paragraphe 2 desuits règlements dans les termes suivants :

(*e*) Le conducteur ou le chauffeur d'une voiture automobile quelconque ne doit employer dans le parc d'aucune lanterne d'avant à l'acétylène, électrique ou autre, à moins de mettre la lumière assez basse pour ne pas éblouir ou aveugler un autre conducteur ou chauffeur d'une voiture automobile ou tout piéton circulant sur les chemins ou dans les avenues du dit parc ou ne pas rendre en aucune façon dangereux ou difficile à tel conducteur, chauffeur ou piéton de conduire sa monture ou sa voisure ou se promener dans le dit parc, et tout conducteur ou chauffeur doit se conformer immédiatement aux ordres que lui donne à cet égard le surintendant, gardien ou constable en service dans le dit parc.

Toute infraction aux dispositions des dits règlements, excepté dans les cas où la loi impose une peine, sera passible, sur conviction sommaire, d'une amende n'excédant pas $50 et les frais ou de l'emprisonnement pour un terme n'excédant pas soixante jours ou d'amende et d'emprisonnement.

Il a été représenté que le dit inscrit a fait trois termes de résidence en satisfaction de son inscription de homestead mais ne s'est pas conformé à ses obligations de résidence relativement à son inscription de préemption. Il appert que les obligations de culture ont été remplies ;

Il a été représenté au Département de l'Intérieur que M. Marshall est âgé maintenant de 86 ans et désormais tout à fait incapable de travailler et de remplir ses obligations de résidence sur le dit terrain ; qu'il lui faut les soins de sa famille pour le reste de ses jours et que, par conséquent, il lui est impossible de remplir aucune autre obligation de résidence en satisfaction soit de sa préemption soit de son homestead,—

Le Ministre soumet une copie d'un certificat médical et, vu les représentations y contenues, recommande que M. Marshall soit relevé de toutes autres obligations de résidence, sous l'empire du paragraphe 2, de l'article 20, de la *Loi des terres fédérales*, (chapitre 20, 7–8 Edouard VII), aux fins de permettre l'émission d'une patente au nom de M. PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, de Cache Creek, Colombie-Britannique, a fait la demande au Département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, 307.9 acres de terrain consistant en lopins fractionnaires entourant la propriété principale de la compagnie près de Cache Creek, dans la zone des chemins de fer de la Colombie-Britannique, l'intention de la compagnie étant d'établir sur le tout un système d'irrigation.

Le Ministre représente qu'après inspection les fonctionnaires du département de l'Intérieur ont fait rapport que sans irrigation les dits terrains sont impropres à l'agriculture et que l'irrigation en est possible pourvu qu'on puisse se procurer l'eau nécessaire à cette fin.

Par conséquent, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, aux conditions suivantes :

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars ($2) l'acre, et le montant ainsi déduit sera considéré un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit : Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de la dite autorisation ou avant l'expiration des dites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à cinq pour cent par année.

(*c*) Les droits d'eau nécessaires doivent être obtenus du gouvernement provincial de la Colombie-Britannique, et il ne doit se faire aucuns travaux sur les dits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auxquels cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen de l'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix d'achat ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente, les dites terres, ou tous droits en rapport avec icelles, ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9e jour de novembre 1916, représentant que le 3 juillet 1914, Alfred H. Breach a obtenu l'inscription de homestead et de préemptiou du quart sud-est de la section 27 ainsi que du quart nord-est de la section 22 respectivement, dans le township 22, rang 7, à l'ouest du 4e méridien.

Les certaines preuves déposées semblent établir que M. Breach a pu accomplir un terme de résidence.

Le Ministre soumet la copie annexée d'un certificat du docteur Arthur L. Lynch, établissant que M. Breach est désormais incapable de remplir ses obligations de homestead.

Dans ces circonstances, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Breach soit relevé des obligations de résidence prescrites pour permettre que des patentes des deux quarts de section ci-haut décrits soient délivrées sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 19 mai 1903, William Henry Moore a obtenu une inscription de homestead pour le quart sud-ouest de la section 24, township 21, rang 1, à l'ouest du 1er méridien, dans la province de Manitoba ;

Il appert de la preuve déposée que l'inscrit a résidé sur ce quart de section pendant six ou huit mois chaque année de 1904 à 1908, inclusivement, mais il lui est impossible de donner les dates du commencement et de la fin de chacune des périodes de sa résidence, et il lui est aussi impossible de trouver des témoins qui pourraient fournir ces renseignements ;

Il a été constaté que M. Moore a construit deux maisons sur le dit terrain et que toutes deux ont été détruites par le feu ;

Il appert aussi que M. Moore, aux époques de sa résidence sur le dit terrain, a été propriétaire de dix-huit têtes de bétail en moyenne,—

A ces causes, prenant en considération le fait que, apparemment, les obligations d'établissement prescrites par la loi ont été remplies et que le seul obstacle à l'émission d'une patente est l'impossibilité de fournir tous les détails concernant la résidence, le Ministre recommande qu'il soit autorisé, sous l'empire du paragraphe (*l*) de l'article 76 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, de vendre le dit homestead à M. Moore à raison de $1 l'acre, en lieu et place de toutes autres obligations de résidence, la dite vente devant être une forclusion des droits du dit M. Moore à un homestead gratuit.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 novembre 1916, représentant que M. J. C. Shields de Kamloops, Colombie-Britannique, a fait la demande au département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, les terrains énumérés dans l'annexe aux présentes et contenant approximativement une superficie de 1354·24 acres.

Le Ministre représente qu'après inspection pour déterminer la valeur des dites terres, les travaux à faire et la praticabilité du projet, les fonctionnaires du Département de l'Intérieur ont fait rapport que les dites terres sont impropres à la culture sans irrigation, qu'on peut les rendre productives en y conduisant de l'eau par des moyens artificiels et qu'au point de vue du génie les travaux sont praticables. Les dits terrains sont vacants et disponibles à ces fins.

A ces causes, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à M. Shields aux termes et conditions qui suivent :—

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars l'acre ($2), et le montant ainsi déduit sera considéré comme un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit :

(*c*) Les droits d'eau nécessaire doivent être obtenus du gouvernement provincial de la Colombie-Britannique et il ne doit se faire aucuns travaux sur lesdits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auquel cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du Département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen d'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente les dites terres ou tout droit en rapport avec icelles ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.
